

INFORMATION TO THE MARKET

Banco do Brasil (BB) hereby informs that concluded, today, a loan portfolio assignment, mostly of loan losses, to Non-Standardized and Exclusive Credit Rights Investment Fund (FIDC-NP) managed by BTG Pactual Serviços Financeiros S.A. DTVM. This is the first time that BB has assigned a portfolio whose assignee does not belong to its Conglomerate.

2. The assigned portfolio has a book value of R\$ 2.9 billion and the financial impact of the transaction will be R\$ 371 million, before taxes, to be recorded in the 3Q20 result.

3. This operation is a pilot of a recurring business model that BB is developing to further optimize the management of the credit portfolio.
