Heavy vehicles such as trucks and buses are converted to equivalent vehicles by a multiplier applied to the number of axles per vehicle, as established in the terms of each concession agreement. The results are managerial and subject to review.

The Company continues to act proactively, in coordination with governments and regulatory authorities, to in the better way address the impact of the crisis on its employees, users and operations.

The Company reaffirms its commitment to its obligations as a publicly-held company listed on the Novo Mercado segment of the B3 stock exchange and will disclose all and any material information in accordance with applicable legislation.
