**NOTICE TO THE MARKET**

**RUMO S.A.** (B3: RAIL3) ("Rumo" or the "Company"), following the Material Fact released on August 26<sup>th</sup>, 2024, hereby announces that the new **BR-070 terminal and the railway section of the Mato Grosso Railway will be inaugurated on June 19<sup>th</sup>, 2026.**

The Mato Grosso Railway is Rumo's largest investment project and the largest railway project currently under construction in Brazil. The completion of the project's first phase, marked by the start of operational commissioning of the new assets, represents an important milestone in the Company's history.

With capacity to handle up to 10 million tons of grains per year, the Mato Grosso Railway strengthens Rumo's presence in the state of Mato Grosso, increases logistics efficiency and contributes to the development of Brazil's leading agribusiness export corridor.

São Paulo, May 28<sup>th</sup>, 2026.
