PROTOCOL AND JUSTIFICATION OF THE MERGER OF CONDESA NORTE INDÚSTRIA E COMÉRCIO LTDA. BY THE COMPANY

(As per item I of Annex I of CVM Resolution 81 of March 29, 2022)

INSTRUMENT FOR THE PROTOCOL AND JUSTIFICATION OF THE MERGER OF CONDESA NORTE INDÚSTRIA E COMÉRCIO LTDA. BY JBS S.A.

The directors of the companies listed below, as well as the respective companies listed below:

- (i) **JBS S.A.**, a publicly-held company, headquartered in the City of São Paulo, State of São Paulo, at Avenida Marginal Direita do Tietê, 500, Vila Jaguara, Zip Code 05118-100, enrolled with the National Register of Legal Entities under CNPJ/MF No. 02.916.265/0001-60 ("JBS"); and
- (ii) **CONDESA NORTE INDÚSTRIA E COMÉRCIO LTDA.**, a limited liability company, headquartered in the city of São Paulo, state of São Paulo, at Avenida Marginal Direita do Tietê, 500, Bloco II, Subsolo, Sala 36, Vila Jaguara, CEP 05118-100, and registered with the CNPJ/MF under No.05.703.088/0001-21 and registered with the Trade Board of the State of São Paulo under NIRE 35.234.678.258 ("CONDESA" and, together with JBS, "Parties", and each individually, "Party");

RESOLVE to sign, for the reasons and for the purposes detailed below, pursuant to articles 224 and 225 of Law No. 6.404, of December 15, 1976, as amended ("Corporation Law"), this Instrument of Protocol and Justification of Merger ("Protocol"), with the purpose of the merger of CONDESA by JBS, under the following terms and conditions:

1. INTRODUCTION

1.1. Purpose. The purpose of this Protocol is to substantiate the justifications, terms and conditions for the merger of CONDESA by JBS, with the consequent extinction of CONDESA and the transfer of all its assets to JBS ("Merger").

1.2. Justification. After analyzing the current dynamics and the situation of CONDESA and JBS, according to which JBS will be, on the date of the Merger, the direct holder of 100% (one hundred percent) of the share capital of CONDESA, the managements of the Parties decided to propose the Merger in the belief that the effective integration of the Parties' activities will allow the capture of efficiency gains and synergies derived from the reduction of operational, logistical and administrative costs and risks, as well as result in the optimization of management and simplification of the group's corporate structure.

2. VALUATION CRITERIA; TREATMENT OF EQUITY VARIATIONS

2.1. Form. As a result of the Merger, JBS will absorb all of CONDESA's assets, succeeding it, universally, in all its assets, rights and obligations, without any solution for continuity.

2.2. Base Date of Appraisal Report. The base date of CONDESA's equity valuation report is March 13, 2025 ("Base Date").

2.3. Evaluation Criteria. The assets, rights and obligations that make up CONDESA's equity, which will be absorbed by JBS, were valued at their respective book values.

2.4. Appraisal Company and Appraisal Report. The directors of the Parties hired, *ad referendum* of the Acts of Approval (as defined below), FACTUM AVALIAÇÕES E CONSULTORIA S/S - EPP, company headquartered in the city of Porto Alegre, State of Rio Grande do Sul, at Rua Vasco da Gama, Number 720, Conj. 401, Bairro Rio Branco, Zip Code: 90.420-110, registered in the CNPJ/MF under No. 08.272.086/0001-13, and CREARS under No.º 149.214 ("Appraiser"), as the specialized company responsible for preparing the appraisal report on the net worth of CONDESA, for its book value, on the Base Date ("Appraisal Report"), which will be an integral and inseparable part of this Protocol for all due legal purposes in the form of Annex A.

2.4.1. Under the terms of article 227, paragraph 1 of the Brazilian Corporation Law, the appointment and hiring of the Appraiser will be submitted for ratification at the general meeting of JBS that resolves on the Merger.

2.4.2. Considering that, on the date of the Merger, JBS will be the direct holder of 100% (one hundred percent) of the share capital of CONDESA, article 264 of the Brazilian Corporate Law is not applicable to the Merger, so that it will not be necessary to prepare the report referred to in said provision, in view of the decision issued on February 15, 2018 by the Board of the Brazilian Securities Commission ("CVM") within the scope of SEI Process No. 19957.011351/2017-21 in this regard, and pursuant to Memorandum No. 3/2019- CVM/SDM/GDN-1, of April 09, 2019.

2.4.3. The Appraiser declares **(i)** that there is no conflict or communion of interests, current or potential, with the Parties and their partners, or even with regard to the Merger; and **(ii)** the partners or administrators of the Parties have not directed, limited, hindered or performed any acts that have or may have compromised access, use or knowledge of information, goods, documents or work methodologies relevant to the quality of its conclusions. The Appraiser was selected for the work described here considering her wide and notorious experience in the preparation of reports and appraisals of this nature.

2.4.4. JBS will bear all costs related to hiring the Appraiser to prepare the Appraisal Report.

2.5. Net Equity to be Paid-in and Change of Capital Stock. Pursuant to the Valuation Report and for the purposes of the Merger, the value of CONDESA's equity on the Base Date is zero.

2.5.1. The Merger will not result in a capital increase for JBS and, consequently, there will be no issuance of new shares, nor any share substitution relationship. The Merger will not result in an increase in JBS's capital, and consequently there will be no issuance of new shares or substitution of shares, since, on the Merger date, JBS will hold all of CONDESA's capital stock and, therefore, CONDESA's net worth is already fully reflected in JBS's net worth.

CONDESA's Equity Elements to be Transferred to JBS. As a result of the merger, all the assets and liabilities of the merged company should be transferred to the merger company. However, CONDESA does not register any asset, right or obligation to be transferred to JBS.

2.6. Asset variations. The equity variations occurring between the Base Date and the effective date of the Merger will be absorbed by JBS, including both the eventual positive and negative results originated from changes in this period, considering, in each case, the respective equity elements transferred.

3. CORPORATE APPROVALS AND CAPITAL STOCK

3.1. Acts of Approval. The completion of the Merger will depend on the following acts, which must be coordinated so as to take place on the same date at first call:

- (i)** JBS Extraordinary General Meeting to resolve on **(a)** the execution of this Protocol, **(b)** the ratification of the appointment and hiring of the Appraiser, **(c)** the Appraisal Report, **(d)** the Merger, under the terms of this Protocol, and **(e)** authorization to the Board of JBS to perform all acts necessary for the effectiveness and implementation of the matters to be resolved by JBS shareholders at the said Extraordinary General Meeting ("AGE JBS"); and
- (ii)** Meeting of CONDESA's Members to resolve on **(a)** the execution of this Protocol, **(b)** the Merger, under the terms of the Protocol, and **(c)** the authorization to CONDESA's management to practice all the acts necessary for the effectiveness and implementation of the matters to be resolved at the said Members' Meeting ("CONDESA Members' Meeting") and, jointly with the JBS AGE, "Acts of Approval").

3.1.1. The Parties acknowledge that, since the Merger will not result in an increase in JBS's capital stock, its Articles of Incorporation shall not be amended for this specific purpose.

3.1.2. The Parties agree that the Merger shall only be consummated and take effect as from April 29, 2025.

4. OTHER COVENANTS

4.1. Pro Forma Financial Information. Considering that the Merger **(i)** does not represent a dilution greater than 5% (five percent), considering that it will not result in a capital increase of JBS since CONDESA is a wholly owned subsidiary of JBS and, consequently, there will be no issuance of new shares nor any exchange ratio, and **(ii)** does not constitute a relevant transaction, for the purposes of OCPC Technical Guidance No. 06, the obligations set forth in Chapter III of CVM Resolution No. 78/2022 do not apply to the Merger.

4.2. Right of Withdrawal. The Merger will not give rise to any right of withdrawal for the shareholders of JBS (*i.e.*, incorporating company), since the applicable legislation limits such right to the shareholders of CONDESA (*i.e.*, incorporated) and, on the date of the Merger, JBS will hold 100% (one hundred percent) of CONDESA's capital stock. Consequently, there is no dissenting partners, no right to withdraw, and no reimbursement amount as a result of the Merger.

5. FINAL PROVISIONS

5.1. Succession in Rights and Obligations. Pursuant to article 227 of the Brazilian Corporate Law, JBS will assume active and passive responsibility for the equity of CONDESA, which is transferred to it under the terms of this Protocol by virtue of the Merger, without interruption.

5.2. Implementation. It will be up to the Parties' management to perform all acts, registrations and entries necessary to implement the Merger after the Acts of Approval, including recognizing the existence of any asset or right transferred to JBS by means of the Merger.

5.3. Disclosure. The applicable documentation will be available to the shareholders of JBS, as of the date of the call for the Acts of Approval, **(i)** at its headquarters; **(ii)** on the Investor Relations *website* of JBS (<https://ri.jbs.com.br/>); and **(iii)** on the *websites* of the CVM and B3 S.A. - Brasil, Bolsa, Balcão.

5.4. Amendment. This Protocol may only be amended by means of a written instrument signed by the Parties.

5.5. Nullity and Ineffectiveness. The eventual declaration by any court of nullity or ineffectiveness of any of the agreements contained in this Protocol will not affect the validity and effectiveness of the others, which will be fully complied with, obliging the Parties to make their best efforts in order to validly adjust to obtain the same effects as the agreement that has been annulled or has become ineffective.

5.6. Waiver. The failure or delay of either Party to exercise any of its rights under this Protocol shall not be deemed a waiver or novation and shall not affect the subsequent exercise of such right. Any waiver will be effective only if specifically granted and in writing.

5.7. Irrevocability and Irretractability. This Protocol is irrevocable and irreversible, and the obligations assumed by the Parties herein also bind their successors in title.

5.8. Assignment. The assignment of any of the rights and obligations agreed in this Protocol is prohibited without the prior express written consent of the Parties.

5.9. Enforcement Instrument. This Protocol, signed in the presence of two (2) witnesses, serves as an extrajudicial enforcement instrument in the form of the civil procedural legislation, for all legal effects. The Parties hereby acknowledge that **(i)** this Protocol constitutes an extrajudicial enforcement instrument for all purposes and effects of Law No. 13105 of March 16, 2015, as amended; and **(ii)** it is subject to specific execution in the form of the legislation in force.

5.10. Applicable Law. This Protocol will be interpreted and governed by the laws of the Federative Republic of Brazil.

5.11. Jurisdiction. The Parties and their respective administrations elect the Central Court of the Judicial District of São Paulo, State of São Paulo, to settle any divergences arising from this Protocol.

And, in witness whereof, the officers of the Parties sign this Protocol in two (2) counterparts of equal content and form and for one sole purpose, together with the witnesses below.
