MATERIAL FACT

VITRU EDUCAÇÃO S.A. (the "Company"), pursuant to Article 157, paragraph 4, of Law No. 6,404, dated December 15, 1976, as amended, and Resolution No. 44 of the Brazilian Securities and Exchange Commission (*Comissão de Valores Mobiliários*, or "CVM"), dated August 23, 2021, as amended, hereby informs its shareholders and the market in general that it is evaluating the possibility of conducting a follow-on public offering consisting of a primary distribution of common shares issued by the Company, to be carried out in Brazil and directed exclusively to professional investors, as defined in Articles 11 and 13 of CVM Resolution No. 30, dated May 11, 2021, as amended, pursuant to applicable laws and regulations, and with restricted placement efforts outside Brazil (the "Potential Offering").

For this purpose, the Company has engaged certain Brazilian placement agents, as well as the respective international placement agents of such institutions, to provide financial advisory services in connection with the Potential Offering, including preparatory work relating to the assessment of the feasibility of, and the determination of the terms for, the Potential Offering.

The Company notes that, if the Potential Offering is implemented, priority rights will be granted to the Company's shareholders to subscribe for the shares comprising the Potential Offering, subject to the applicable regulations.

The Company estimates that the Potential Offering would be in an initial amount of R\$200,000,000.00 (two hundred million reais), but notes that, as of this date, no formal decision has been made regarding the actual implementation of the Potential Offering or its terms and conditions, including, but not limited to, its actual size. The Potential Offering remains subject, among other factors, to conditions in the Brazilian and international capital markets, the receipt of the necessary approvals, including corporate approvals and, if applicable, approvals from relevant third parties, favorable political and macroeconomic conditions, investor interest and other factors beyond the Company's control. If carried out, the Potential Offering will be carried out in compliance with the applicable laws and regulations.

This Material Fact is for informational purposes only, pursuant to applicable law, and must not, under any circumstances, be construed as, or constitute, an investment recommendation, an offer to sell, or a notice of a public offering of any securities of the Company in Brazil, the United States of America or any other jurisdiction. The information

contained herein must not be taken, transmitted, disclosed, distributed or disseminated, directly or indirectly, in the United States of America or in any other jurisdiction.

None of the Potential Offering, if carried out, the priority rights granted to the Company's shareholders or the securities described in this Material Fact have been or will be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), or under any other federal or state securities laws of the United States of America. No securities issued by the Company may be offered or sold in the United States of America without registration or an applicable exemption from registration under the Securities Act.
