MARKET ANNOUNCEMENT

VITRU EDUCAÇÃO S.A. (“**Vitru**” or “**Company**”), in compliance with the provisions of item II of paragraphs 3 and 6 of Article 26 of CVM Resolution No. 81, dated March 29, 2022, as amended (“**CVM Resolution 81**”), hereby informs its shareholders and the market in general that it has resubmitted, on this date, the absentee voting ballot for the Company’s Annual General Meeting to be held on April 29, 2026 (“**Ballot**” and “**AGM**,” respectively).

The resubmission of the Ballot stems from the need to include, as item 3 on the agenda, the resolution regarding the proposal for the appropriation of the Company’s net income for the fiscal year ended December 31, 2025, as provided for in the Management Proposal and the Call Notice disclosed on March 27, 2026, which was not included in the originally published version of the Bulletin. Items 3 through 10 of the previous version of the Bulletin have been renumbered to 4 through 11, respectively, in order to follow the order of the Notice of Meeting and the Management Proposal and to facilitate completion by shareholders.

Pursuant to Article 26, §6, II, of CVM Resolution 81, votes already cast for items 3 through 10 of the previous version of the Ballot will be considered invalid if the shareholder does not submit a new Ballot.

The deadline for submitting the Ballot remains unchanged. Therefore, shareholders who wish to exercise their voting rights through the Ballot must submit new voting instructions by April 25, 2026 (inclusive), in accordance with applicable regulations.

To prevent previously submitted voting instructions from being considered conflicting, the Company recommends that shareholders submit their new voting instructions through the same service provider previously used, as applicable.

The Company further clarifies that the resubmission of the Bulletin does not affect the other matters submitted for deliberation at the AGM, which remain unchanged.
