Such proposal shall include the amount to be accrued as legal reserve, according to the permitted limit, and an eventual destination of resources to the creation and changes of the reserve for contingencies and of the reserve for realizable profits, in the terms and conditions established in law.

Article 38 - From the results of each financial year, shall be deducted, prior to any participation, the accumulated losses and the provision to income tax.

Article 39 - Jointly with the financial statements of each financial year, the Board of Directors shall submit for approval, to the Shareholders' Meeting, a proposal addressing the full destination of the net profit of the respective financial year, which remains after the following deductions or increases, to be performed decrescently and following the order below:

(a) 5% (five percent) designated to the Legal Reserve, which shall not exceed 20% (twenty percent) of the capital stock;

(b) amount designated to the reserve for contingencies and the reversion of those constituted in the previous financial years;

(c) a portion corresponding to, at least, 25% (twenty-five percent) of the net profit, designated to the shareholders, as compulsory minimum annual dividend;

(d) a portion corresponding to no more than 100% (one hundred percent) of the remaining net profit, after the deductions of the portions mentioned in the above items of the Article, designate to the Expansion Reserve, aiming to save funds which will allow the performance of new investments in fixed and working capital, as well as the expansion of social activities; and, in case it is understood applicable,

(e) a portion for the capital budget, as authorized by Sections 176, Paragraph 3 and 196 of Law 6,404/76, with due observance of the provisions set forth in Section 134, Paragraph 4 of such Law.

Paragraph 1 - In case the balance of the profit reserve exceeds the amount of the capital stock, the Shareholders' Meeting shall decide on the usage of the respective excess in the

pay-in or increase of capital stock, or even in the distribution of additional dividends to the shareholders.

Paragraph 2 - The amount of paid or credited interests, as interest on shareholders' equity in the terms of the Article 9, Paragraph 7 of Law n. 9,249/95, as well as in the term of applicable rules could be considered as part of the value of the compulsory dividend referred to in item "d" of this Article, among the respective dividends distributed by the Company for legal effects.

Paragraph 3 - The compulsory dividend shall not be paid in the financial year that the Board of Directors of the Company inform to the shareholders that it is incompatible with the financial situation of the Company, being certain that the Fiscal Council, if instaled, shall pronounce itself. Such restrained dividends shall be paid when the financial situation allows.

Paragraph 4 - As per Article 190 of the Law n. 6.404/76, the Annual Shareholders' Meeting that approved the financial reports of such financial year shall determine, the distribution of up to 10% (ten per cent) of the net profits of the financial year to the Officers of the Company, as profits participation, after making the adjustments foreseen in the Article 189 of the Law n. 6.404/76.

Paragraph 5 - The profit distribution and participation of the managers shall only occur in the financial years in which the distribution of the minimum compulsory dividends foreseen in this Article 39.

Paragraph 6 - The Board of Directors shall establish the criteria for purposes of attributing the profit participation to the managers, with due observance of the amount established by the Annual Shareholders' Meeting.

Paragraph 7 - The payment of dividends set forth in Article 39, item "c" above, may be limited to the amount of net profit of the realized financial year, provided that the difference is recorded as realizable revenue reserve. The profits recorded in the realizable revenue reserve, when realized – and provided that they were not absorbed by losses in subsequent financial years – shall be added to the first declared dividend after their realization.

Article 40 - Upon the deliberation of the Board of Directors, the Company may draw up quarterly or biannual financial statements and declare dividends to the profit account in such financial statements, provided that, in the event the Company draws quarterly balance sheets and distributes dividends in periods shorter than six-month periods, the total amount of paid dividends in each semester of the financial year does not exceed the amount of capital reserves referred to in Section 182, Paragraph 1, of Law 6.404/76. The Board of Directors are also entitle to declare interim dividends, to the accumulated profits account or the reserve profits account related to the latest annual or quarterly balance sheet, in which situation such

dividends, if distributed, shall be deduced from the valued due as compulsory minimum dividend.

Article 41 - The dividends and interests on shareholders' equity made available to the shareholders not claimed within 03 (three) years shall be reverted in favor of the Company.

CHAPTER VII - DISPOSAL OF CONTROLLING INTEREST, CANCELLATION OF REGISTRATION AS A PUBLICLY-HELD CORPORATION AND DELISTING FROM THE CORPORATE GOVERNANCE LEVEL 2

Article 42 - The transfer of control of the Company, either through a single transaction or a series of successive transactions, shall be entered into under the precedent or termination condition that the acquirer of the control undertakes to effective a public tender offer for the acquisition of the totality of the shares held by the other shareholders of the Company, in accordance with the terms and conditions of the applicable legislation and the Level 2 Listing Rules, in order to ensure the other shareholders equal treatment in relation to the assigning controlling shareholder.

Article 43 - The public tender offer referred to in the preceding article shall also be made: (a) in cases where there is the onerous assignment of rights to subscribe for shares and other securities or other rights related to securities convertible into shares, which may result in the transfer of control of the Company; or (b) in case of sale of control of the controlling shareholder(s) of the Company, provided that, in such case, the selling controlling shareholder(s) shall be obliged to declare to BM&FBOVESPA the price attributed to the Company in such sale, as well as attach the documentation evidencing such amount.

Sole paragraph - The provisions mentioned in this article 43 and the article 42 will not be applicable in the following situations: (i) not onerous transfer of shares between the controlling shareholder and its heirs and, between these heirs, provided that they assume the control of the Company, even if it may lead to the consolidation of the control in one sole shareholder, and (ii) the transfer of shares between a group of two or more people that are (a) bound by the provisions of any kind of agreement, including shareholders' agreement, either oral or in writing, directly or by means of subsidiaries or parent 'companies or under common control; or (b) among which exists, directly or indirectly, a controlling connection; or (c) under common control; or (d) represent a common interest, even if may lead to the consolidation of the control of the Company in one sole shareholder.

Article 44 - The person that acquires a controlling interest in the Company, through the execution of private share purchase agreement entered into with the shareholder, involving any number of shares is required to: (a) effective the public tender offer referred to in Article 42 hereof; and (b) pay, according to the terms bellow, the amount equivalent to the difference between the public tender offer price and the price paid per share eventually acquired in the

stock exchange during the six (6) months before the date of the transfer of the Company's control, duly adjusted until the moment of payment by SELIC index. Such amount shall be distributed among all the persons that have sold shares issued by the Company in the trading sessions in which the acquirer carried out the acquisitions of shares, proportionally to the daily sale net balance of each one, provided that BM&FBOVESPA is responsible for accomplishing the distribution according to its rules.”

Article 45 - For purposes of the public tender offer required in connection with the cancellation of the registration as a publicly-traded corporation, to be provided by the controlling shareholder or the Company, the minimum price to be offered shall correspond to the economic value duly appraised in an appraisal report provided under section 47, in compliance with the applicable rules and regulation.

Article 46 - In case the shareholders in a Extraordinary Shareholders' Meeting approve the delisting of the Company from the Corporate Governance Level 2, except if such approval is to allow the company to be listed in Novo Mercado of the BM&FBOVESPA (“Novo Mercado”), the shareholder, or group of shareholders, holding the controlling interest in the Company shall launch a public tender offer for the shares held by the remaining shareholders by, at least, the economic value of the shares indicated in an appraisal report, with due respect to the applicable rules and regulation, in the cases in which the delisting of the Company from the Corporate Governance Level 2 (i) occurs so that the shares are admitted for trading outside the Corporate Governance Level 2 or the Novo Mercado; or (ii) is derived from a corporate reorganization where the resulting company does not have its securities admitted for trading in the Corporate Governance Level 2 or in the New Market in 120 (one hundred and twenty) days counted as from the date of the Shareholders' Meeting which approved the transaction.

Sole Paragraph - In the cases referred in the caput of this Article above, should the Company not have a controlling shareholder, the Shareholders' Meeting shall define the responsible for carrying out the public tender offer, who, if present at the Shareholders' Meeting, shall expressly undertake to make the public tender offer. If there is no definition on the responsible for making the public tender offer, in the case of a corporate reorganization where the resulting company does not have its securities admitted for trading in the Corporate Governance Level 2 or in the Novo Mercado in 120 (one hundred and twenty) days, the shareholders who voted favorably to the corporate reorganization shall be responsible for making such public tender offer.

Article 47 - The appraisal report mentioned in this Chapter shall be prepared by a specialized institution or company, with proven experience and independent from the Company, its management and/or controlling shareholders. The appraisal report shall also meet the requirements of Paragraph 1 of Article 8 of Law n. 6,404/76 and shall contain the responsibility provided for in Paragraph 6 of the same Article 8.

Paragraph 1 - The Shareholders' Meeting shall be exclusively competent to appoint the specialized institution or company responsible for assessing the Company's economic value, and such specialized company shall be chosen out of a three-name list presented by the Board of Directors, which shall exclusively contain entities or companies internationally recognized and duly authorized to perform such services in Brazil. The relevant Shareholders' resolution shall be taken by the vote of the majority of shareholders representing the outstanding shares of the Company attending the Shareholders' Meeting, provided that blank votes shall not be counted, and each share shall have the right of one vote, irrespective of its type or class. The Shareholders' Meeting, if installed in first notice, shall be attended by shareholders representing at least 20% (twenty-percent) of the issued and outstanding shares; or, if installed in second notice may be attended by any number of shareholders representing the free float.

Paragraph 2 - The expenses incurred to prepare the required appraisal report shall be fully supported by the offering shareholder.

Article 48 - The Company shall not record any transfer of shares to the acquirer of the controlling interest or to any potential buyer until such shareholder(s) execute the Deed of Consent of Controlling Shareholders, as set forth in the Level 2 Listing Rules.

Sole Paragraph - No shareholders agreement that regulates the exercise of the control of the Company shall be registered at the Company's head offices unless its signatory parties have executed the Deeds referred in the caput of the article above.

Article 49 - The delisting from the Corporate Governance Level 2 due to default of the provisions of the Level 2 Listing Rules is conditioned to the launching a public tender offer for acquisition of shares by, at least, the economic value of the shares, as indicated in an appraisal report pursuant to Article 47 of these Bylaws, in the terms of the applicable laws and regulations.

Paragraph 1 - The controlling shareholder shall launch the public tender offer referenced in the caput of this Article.

Paragraph 2 - In the event there is no controlling shareholder of the Company and the delisting of the Company from the Corporate Governance Level 2 referred in the caput is derived of resolution of the Shareholders' Meeting, the shareholders who have voted in favor of the resolution which implicated in the respective default shall be responsible for launching the public tender offer referred in the caput.

Paragraph 3 - In the event there is no controlling shareholder of the Company and the delisting of the Company from the Corporate Governance Level 2 referred in the caput occurs as a result of act of fact of the management, the Management of the Company shall call a Shareholders' Meeting to resolve on how to solve the default of the provisions of the

Level 2 Listing Rules or, as the case may be, resolve on the delisting of the Company from the Corporate Governance Level 2.

Paragraph 4 - In case the Shareholders' Meeting mentioned in Paragraph 3 above resolves on the delisting of the Company from the Corporate Governance Level 2, the referred Shareholders' Meeting shall define the responsible for conducting the public tender offer referred in the caput, who, if present at the Shareholders' Meeting, shall expressly undertake to make the offering.

Paragraph 3 - The purchase price in the OPA shall not be lower than the higher value between (i) the economic value obtained in the appraisal report; (ii) 150% (one hundred fifty

per cent) of the price of issuance of shares in any capital increase occurred by means of public distribution within 24 (twenty-four) months preceding the date on which the realization of the OPA becomes mandatory in accordance with this Article, duly updated by the IGP-M until the moment of the payment; and (iii) 150% (one hundred fifty per cent) of the average unitary quotation of the common shares issued by the Company during the period of 90 (ninety) days preceding the launching of the OPA in the stock exchange in which there is the largest volume of negotiations of shares issued by the Company.

Paragraph 4 - The execution of the OPA mentioned in this Article shall not exclude the possibility of launching a concurrent OPA, by other offering shareholder, in accordance with the applicable regulation.

Paragraph 5 - The Acquiring Shareholder shall be required to comply with the requirements of the Brazilian Securities and Exchange Commission (CVM), as per the provisions set forth in the appropriate legislation, under the terms provided for the applicable rules.

Paragraph 6 - In case the Acquiring Shareholder fails to comply with the obligations provided in this Article, including in connection with the deadlines for (i) the performance or request of registration of the OPA; or (ii) complying with the requests of the CVM, then the Company's Board of Directors shall call a Extraordinary Shareholders' Meeting, in which the defaulting shareholder shall not be entitled to vote, to decide the suspension of the rights of the defaulting shareholder, pursuant to the provisions set forth in Article 120 of Law n. 6.404/76, without hindering the shareholder's liability for any losses and damages caused to other shareholders due to the noncompliance with the obligations set forth in this Article.

Paragraph 7 - Any Acquiring Shareholder who acquire or becomes the holder of other rights, including usufruct or fideicomisso, over shares issued by the Company representing 20% (twenty per cent) or more of the Company's shares, shall, within a 60 (sixty) days of the date of such acquisition or after the date of the event which lead to the such shareholding, also perform or request the registration, as the case may be, of an OPA, in accordance with the provisions set forth in this Article.

Paragraph 8 - The provisions set forth in Article 254-A of Law n. 6,404/76 and in the Articles 42 to 48 of these Bylaws shall not exempt the Acquiring Shareholder to comply with the obligations set forth in this Article.

Paragraph 9 - The provisions set forth in this Article shall not bind the person who becomes the holder of 20% (twenty per cent) or more of the Company's shares due to (i) legal succession, provided the alienation of the respective share excess within 60 (sixty) days as of the relevant event; (ii) the merger of another company into the Company; (iii) the purchase of shares issued by another company by the Company; (iv) the subscription of Company's shares, perform in one sole primary issuance, which has been approved at the Shareholders' Meeting called by its Board of Directors, and which proposal of capital increase has

determined the shares' value, based on an economic value obtained in an appraisal report issued by a specialized company with great experience in the assessment of public-held corporations; or (v) the transfer of shares among the shareholders which belongs to the controlling group of the Company. The provisions set forth in item (i) of this Paragraph 9 shall not be applicable to cases of legal succession regarding the controlling shareholder(s).

Paragraph 10 - In order to calculate the percentage of 20% (twenty per cent) of the totality of the Company's shares, in accordance with the provisions set forth in this Article, involuntary increases of shareholding resulting from cancellation of treasury stock or from capital reduction by means of cancellation of shares, shall not be taken into account.

Paragraph 11 - In case the CVM's applicable regulation determines any calculating criteria for the establishment of the purchase price per share in the OPA which results in a purchase price higher than the price established in Paragraph 3 of this Article, the purchase price calculated pursuant CVM's regulation shall prevail.

Paragraph 12 - Any amendment that restricts the shareholders' right to perform the OPA set forth in this Article or the exclusion of this Article shall oblige the shareholder(s) who has(ve) voted such amendment or exclusion in the resolution passed by the Shareholders' Meeting to perform the OPA set forth in this Article.

CHAPTER IX - ARBITRATION

Article 51 - The Company, its shareholders, managers and members of the Fiscal Council shall resolve, through arbitration, in the Market Arbitration Chamber, any and all dispute or controversy related or resulting, especially, with or from the construction, validity, effectiveness, interpretation, violation and its effects, of the provisions of Law No. 6404/76, as amended, of these Bylaws, of normative acts issued by Conselho Monetário Nacional, by the Central Bank of Brazil and by CVM, as well as any other rules applicable to the operation of the capital markets in general, other than those contained in the Level 2 Listing Rules, the Arbitration Regulation of the Chamber of Arbitration of the Market, Sanctions Regulations, and the Agreement of Participation in the Level 2 Listing Rules.

CHAPTER X - LIQUIDATION

Article 52 - The Company shall be liquidated in the cases provided by law or when decided by the Shareholders' Meeting, which shall, in any case, establish the liquidation procedure, as well as appoint a liquidator and the members of the Fiscal Council who shall act during the liquidation term and fix their remuneration.

CHAPTER XI - GENERAL PROVISIONS

Article 53 - The Company and the management bodies shall comply with Shareholders Agreements which are duly filed with the Company's head office.

Paragraph 1 - It is expressly forbidden for the members of the board of the Shareholders' Meeting to validate a vote of a shareholder who signed the Shareholders' Agreements, if such vote is against of the provisions of such Shareholders' Agreements.

Paragraph 2 - The following acts shall only be taken by the Company in accordance with the Shareholders Agreements duly filed before the Company's head office:

- (a) the transfer of shares or the registration of any in rem guarantee on the shares; and
- (b) accept the assignment or transfer to any third party of any shares or any other securities issued by the Company.

Paragraph 3 - The ruling provisions established in the Level 2 Listing Rules shall prevail over the terms of these Bylaws in the cases of prejudice to the rights of the individuals and entities to which the public offers mentioned herein are designated.
