

FACT SHEET

 Multiplan

About Multiplan

20 shopping centers

with more than 6,000 stores,
2 corporate office tower
complexes and **930,000** sq.m.
in total GLA¹

Multiplan is a full-service company that plans, develops, owns and manages one of the country's largest and highest-quality commercial property portfolios.

Our portfolio is located in the main regions of Brazil, strategically positioned in the growth vectors of large urban centers, boosting the development of their surroundings and contributing directly to the improvement of the population's quality of life.

The Company is also a pioneer in the development of mixed-use projects, in the vicinity of its malls, comprised of residential and commercial real estate, generating synergies and people flow, while also increasing the value of the regions.

Financial and Performance Indicators

GLA distribution by segment

In the last 10 years, the Food & Gourmet area, Miscellaneous and Services segments have risen their participation in the company's total GLA. These changes are in line with the demand for convenience and experience that Multiplan's malls seek to meet.
