Multiplan and Delivery Center celebrate partnership with B2W

MULTIPLAN EMPREENDIMENTOS IMOBILIÁRIOS S.A. (“Multiplan”, “Company”), together with its partner Delivery Center, announces the celebration of an agreement with B2W to integrate its shopping centers stores into B2W's online retail platforms.

The agreement will allow retailers in Multiplan's malls to incorporate the solutions offered by B2W marketplaces, offering consumers new channels to purchase products, choosing from store pickup or delivery at home. This integration is conducted by Delivery Center, a company in which Multiplan has been a partner since 2019, and which acts in the combination of online and physical retail, being responsible for the management of logistics centers located in the Company's shopping centers.

The partnership is in line with Multiplan's digital innovation strategy, focused on strengthening the attractiveness of its shopping centers through the complementarity and convenience of the digital experience, and as a result promoting gains in scale and a better service quality to the Company's customers and retailers.
