NOTICE TO MARKET

MOURA DUBEUX ENGENHARIA S.A. (“Company” or “MDNE”) (B3: MDNE3; Bloomberg: MDNE3 BZ), in compliance with the provisions of the Resolution of the Brazilian Securities and Exchange Commission (“CVM”) No. 44, dated August 23, 2021, as amended (“**CVM Resolution 44**”), hereby informs the market in general as follows.

As part of its strategy to diversify its activities and enter new segments of the real estate sector, the Company began operating in the low-income housing segment, particularly in Tier III of the ‘*Minha Casa, Minha Vida*’ Program, through Ún1ca S.A. (“Ún1ca”).

In this context, and with the purpose of (i) reducing the Company’s exposure and thereby mitigating the risks inherent in entering a new operating segment; and (ii) ensuring the long-term alignment of key individuals involved in the development of the new business, certain officers and controlling shareholders made a direct investment in Ún1ca, jointly acquiring 30% of its share capital, while the Company retained ownership of the remaining 70%.

With the intention of transparently and proactively addressing suggestions from minority shareholders and market participants, and preserving the high standards of corporate governance to which the Company committed, the Company, through its Board of Directors and Executive Management, decided to discontinue the initial proposal, resulting in the Company holding the entire share capital of Ún1ca.

The Company will keep its shareholders and the market in general duly informed of any relevant updates regarding the matters addressed herein through its customary channels for the disclosure of periodic and specific information, which may also be accessed through the CVM website (www.cvm.gov.br), B3 website (www.b3.com.br), and the Company’s Investor Relations website (<https://ri.mouradubeux.com.br>), in compliance with applicable laws and regulations.
