NOTICE TO THE MARKET

MULTILASER INDUSTRIAL S.A. ("Company", B3: MLAS3), hereby informs its shareholders and the market in general that, on this date, the rating agency Fitch has downgraded the National Long Term Rating to A+(bra) with a Negative outlook, from AA-(bra) with Stable outlook.

According to the report, the downgrade is based on the weak macroeconomic environment and the consumption outlook for 2023, combined with the high inventory levels in the retail industry, as well as the company's ERP migration in the first quarter of the year.
