Notice to the Market

Multilaser Industrial S.A. ("Company", B3: MLAS3) hereby informs its shareholders and the market in general that it has entered into an exclusive partnership for the commercialization and distribution of products from the US-based Razer, a leading global brand in the gamer lifestyle.

Founded in 2005, Razer has headquarters in Irvine (California, USA) and Singapore, with regional offices in Hamburg and Shanghai, as well as 19 offices worldwide. The brand is globally recognized for manufacturing high-quality products for gamers and has a fan and consumer base that spans across all continents. In Brazil, the brand has been known for its gaming hardware and peripherals products since 2009 when it began its operations in Latin America.

With this strategic partnership, Razer aims to further expand its presence in the national market by offering PC, console and mobile gamers a wide range of high-quality products, including mouse, keyboard, headset, chair and gaming accessories. Additionally, Razer has partnerships with professional players and Brazilian e-sports teams, reinforcing the US-based company's local presence.

The Company is a reference in the distribution of major international brands, and Razer will be added to the company's current portfolio of global partner brands, bringing the total to 11. Currently, the Company also operates in the gaming segment with its Warrior brand and expects to expand its presence and knowledge in a growing and promising market through this partnership. It will also facilitate Brazilian players' access to Razer products, expanding the distribution of the product line to national clients and consumers. The products are expected to be available for distribution in early the third quarter of 2023.
