NOTICE TO THE MARKET

SIMPAR S.A. ("**SIMPAR**" or the "**Company**"), informs its shareholders and the market in general that, on this date, it has filed its **2021 Integrated Report**.

The report was prepared following GRI, SASB, TCFD and CDP performance reporting standards, methodologies and guidelines, and features our indicators, practices, business model, and key financial, environmental, social, and governance aspects as part of our transparent and sustainable management. Moreover, the report was audited by independent auditors by KPMG, following the CPC 09 Guidance - Integrated Reporting, issued by the Accounting Pronouncements Committee - CPC.

This is a special moment that reflects the evolution process started a few years ago and demonstrates the **dedication and efforts of each one of our more than 35 thousand employees**, who are mainly responsible for SIMPAR's advances and made it possible to achieve operational and financial records in the year 2021.

We reiterate that our efforts and investments in ESG are not only relevant to society and the environment, but also strategic to our business. In our view, value people and encourage the circular economy, the climate change and sustainable development agenda transform economic and social relations.

In 2021, SIMPAR stood out in the recognition of its maturity in sustainability. The holding company was **selected to make up the portfolio of the Corporate Sustainability Index (ISE B3)** and stood out in the **Corporate Sustainability Assessment (CSA)**, with the **highest score of the sector among Brazilian companies**, alongside Movida, and in the **Carbon Disclosure Project (CDP)**, with a B score, **above the average of the transportation and logistics sector worldwide**.

We understand that by establishing relationships of trust with **our Clients, our People**, and everyone who relates to us, we develop the competitive advantages that translate 65 years of a journey consistent with our **Culture, Values**, and our **Way of Being and Doing Business**. We will continue to invest intensively and responsibly to capture new opportunities and foster the Group's development.

Driven by a **solid governance**, with focus and discipline in generating and sharing value in a responsible manner, we move confidently on to **another step in the development of SIMPAR's ecosystem of businesses and companies**.
