**ANNOUNCEMENT**

**LOJAS RENNER S.A.** (“Company”), following the Material Fact released on July 15, 2021, informs its shareholders and the market that it has concluded, on this date, the acquisition of 100% of the quotas issued by Repassa Intermediação de Negócios Ltda. (“Repassa”), pursuant to the terms established in the agreement of the Transaction, considering that all precedent conditions having been attended.

Founded in 2015, Repassa is an online resale platform for clothes, footwear and accessories operating nationwide. It is an innate digital startup focused on the female audience and the B and C+ classes, with ESG at the core of its business model and with the mission of increasing the life cycle of the items, generating a positive impact in this process both from the environmental and social perspective. It operates through a managed model, with curation of assortment and quality, and control over the entire consumer journey. The resale market presents great potential for growth and it is one of the major tendencies in retail, more especially among younger generations.

The conclusion of the acquisition of Repassa represents one step further towards the consolidation of the fashion and lifestyle ecosystem of Lojas Renner S.A., closely aligned to the Company’s pillars of digitalization, innovation and ESG strategy. We also expect to maximize Repassa through the capture of commercial and operational synergies now it is part of Lojas Renner S.A..

The ecosystem has huge potential under exploration and it is the Company’s intention to continue combining organic and inorganic investments for accelerating this construction.
