Goiânia, March 24, 2022 - Saneamento de Goiás S.A. ("Saneago" or "Company"), in compliance with the provisions of article 157, §4, of Law No. 6,404, of December 15, 1976, as amended ("Brazilian Stock Corporation Law"), and in the Instruction of the Securities and Exchange Commission ("CVM") No. 358/2002, as amended ("ICVM 358"), hereby informs its shareholders and the market in general that on today's date the Regulatory Boards of the Goiás Regulatory Agency, Control and Inspection of Public Services in the State of Goiás - AGR and the Goiânia Regulatory Agency - AR approved proof of Saneago's economic and financial capacity in compliance with Decree No. 10.710/2021.

For the decisions, analysis was performed by the AGR/AR agencies from the data filed by Saneago. This data included the results of two stages of verification, that of an independent audit, which evaluated the accounting data in four indicators, and that of an independent certifier, which presented the cash flow with a positive global net expected value. Additional documentation was required by the technical teams and, in the end, the compatibility between the company's fundraising plan and the economic feasibility studies was proved.
