Publicly-Traded Company

MARCOPOLO S.A. ("Company") comes to inform its shareholders and the market in general that, in view of the measures to prevent and combat Covid-19, aware of its responsibility towards its employees, family and community, it decided to grant collective vacations in all the units located in Brazil as of next Monday (03/23) lasting 20 days.

The adoption of collective vacations presupposes the interruption of manufacturing and administrative activities, with restricted access to the Company's units. The decision is part of a series of preventive actions taken by the Company to mitigate the risk of contamination and preserve the health of its employees, family members and the communities in which it is present.

The Company will keep its shareholders and the market informed of any subsequent events relevant to the topic.
