### **NOTICE TO THE MARKET**

Frasle Mobility (FRAS-LE S.A. | [B3: FRAS3]) hereby informs its shareholders and the market in general of the closing down of the subsidiary FANACIF S.A. ("FANACIF"), an industrial plant manufacturing friction materials, located in Montevideo, Uruguay.

The decision to close down FANACIF's operation is the result of a strategic footprint optimization analysis, driven by the commercial challenges faced over the past few years.

Frasle Mobility reaffirms its total commitment with integrity and responsibility, ensuring that all obligations assumed by FANACIF before suppliers, banking institutions, customers, and employees will be fully fulfilled.

The Company expresses its sincere gratitude for the dedication and contribution made by the employees over the years and will ensure full support during the closing down of the activities, making this transition as respectful as possible for all those involved.

Even with the closing down of FANACIF, Frasle Mobility will continue operating in the Uruguayan market, maintaining its commercial and distribution operations in the country.
