NOTICE TO THE MARKET

Telefônica Brasil S.A. ("Company") (B3: VIVT3; NYSE: VIV) hereby informs its shareholders and the market in general that, on this date, its indirect subsidiary Telefônica Infraestrutura e Segurança Ltda. ("TIS") has completed, with Telefónica Cybersecurity & Cloud Tech, S.L. ("TTech"), the acquisition of all shares issued by Telefônica Cibersegurança e Tecnologia do Brasil Ltda. ("CyberCo Brasil"), under the terms of the share purchase agreement, for an amount of up to R\$232 million, of which R\$212 million was paid in a single installment on the signing date of the contract, and up to R\$20 million as earn-out, to be paid in 2027, based on CyberCo Brasil's service revenue in 2026 ("Transaction"). Furthermore, CyberCo Brasil will enter into an Asset Purchase Agreement with TTech to acquire certain perpetual software licenses used in its operations, for which R\$48 million will be paid in a single installment.

CyberCo Brasil develops integrated cybersecurity and information security solutions, including devices, networks, cloud, identity management, incident and vulnerability response, as well as consulting services, project design and software and hardware resale with a team of more than 300 specialists. The Transaction aims to expand the portfolio of information security solutions, optimize service offerings, accelerate launches, integrate the sales force, and strengthen the growth strategy in digital solutions with a customer-centric focus.

The documents formalizing the transactions contain terms and provisions common to this type of operation, and do not depend on obtaining any regulatory authorizations or additional approvals beyond those already obtained in accordance with the Company's internal governance.

The acquisitions were preceded by an independent valuation, confirming that the negotiated amounts are in line with market practices and accurately reflect the economic potential of the business.
