

## ***Petrobras on the sale of the Albacora Leste field***

Rio de Janeiro, April 27, 2022 – Petróleo Brasileiro SA – Petrobras, following up on the release disclosed on 11/05/2021, informs that its Board of Directors, in a meeting held today, approved the sale of all its interest in the Albacora Leste concession, located predominantly in deep waters in the Campos Basin, to the company Petro Rio Jaguar Petróleo LTDA. (PetroRio), a subsidiary of Petro Rio S.A. The signing of the purchase and sale agreement and the subsequent steps will be disclosed to the market in due course.

The total amount of the sale is up to US\$ 2.20 billion, of which (a) US\$ 292.7 million will be paid on the contract execution date; (b) US\$ 1.66 billion at the closing of the transaction and (c) up to US\$ 250 million in contingent payments, depending on future Brent quotations. The amounts do not consider adjustments due until the closing of the transaction, which is subject to compliance with certain precedent conditions, such as the non-exercise of the right of first refusal by the current consortium member Repsol Sinopec Brasil, the approval by the Administrative Council for Economic Defense (CADE) and by the National Agency of Petroleum, Natural Gas and Biofuels (ANP).

This disclosure is in accordance with Petrobras' internal rules and the provisions of the special procedure for the assignment of rights of exploration, development and production of oil, natural gas and other fluid hydrocarbons, provided for in Decree 9,355/2018.

This transaction is in line with the company's portfolio management strategy and the improved allocation of its capital, aiming to maximize value and provide greater return to society. Petrobras continues to increasingly concentrate its resources on assets that have shown great competitive edge over the years, with lower greenhouse gas emissions.
