

Petrobras on appointments to the Executive Office

Rio de Janeiro, June 14, 2024 – Petróleo Brasileiro S.A. – Petrobras informs that its CEO, Magda Chambriard, has appointed 3 new members to the Executive Office:

- Engineering, Technology and Innovation Executive Office, Ms. Renata Baruzzi;
- Exploration and Production Executive Office, Ms. Sylvia dos Anjos;
- Financial and Investor Relations Executive Office, Mr. Fernando Melgarejo;

The nominations will be submitted to the internal corporate governance procedures, including the respective compliance and integrity analyses required for the company's succession process, forwarded for consideration by the People Committee and then sent for deliberation by the Board of Directors.

The current directors will remain in their positions until the necessary internal governance process is completed to approve the new names.

Sylvia dos Anjos has a degree in Geology from the Federal University of Rio de Janeiro (UFRJ), a master's degree in Geology from the University of Illinois at Urbana-Champaign and a PhD from the same university. A retired Petrobras geologist, she has more than 42 years' experience in the E&P area, having held various management positions throughout her career at the company, in particular the positions of General Manager of Exploration in Applied Geology and General Manager of Technologies for the Libra Asset. She also worked on the "Competitive Gas & Energy" program, preparing Petrobras for the new competitive scenario for natural gas in Brazil. Member and co-founder of the IBP Diversity Committee since 2018. She was president for 2 terms of the Brazilian Association of Petroleum Geologists - ABGP and also vice-president of the American Association of Petroleum Geologists - AAPG Latin America.

Fernando Melgarejo has a degree in Economics from the Educational Union of Brasília (UNEB), a postgraduate degree in International Business from the Getúlio Vargas Foundation (FGV) and a master's degree in Business Economics from the Catholic University of Brasília (UCB). He has worked for the Banco do Brasil S/A conglomerate for 37 years, of which he dedicated around 30 years to the
