

## ***Petrobras on pieces of news in the media***

Rio de Janeiro, June 17, 2022 – Petróleo Brasileiro S.A. – Petrobras, regarding the news published in the media, clarifies that by request of the Chairman of the Board of Directors, its Board of Directors held an extraordinary meeting yesterday to evaluate issues related to the scenario of fuel prices in Brazil and abroad.

Petrobras reiterates its commitment to the practice of competitive prices and in balance with the market, while avoiding the immediate pass-through of external volatility and of the exchange rate caused by circumstantial events.

Petrobras continuously monitors the markets, which includes, among other procedures, the daily analysis of the behavior of our prices relative to international quotations. The company always contributes and participates in technical discussions that seek to mitigate the impacts of fuel prices.

To provide transparency to its commercial management, Petrobras announces price adjustments to its customers through the Canal Cliente website ([www.canalcliente.com.br](http://www.canalcliente.com.br)) and, to other stakeholders, through the website ([precos.petrobras.com.br](http://precos.petrobras.com.br)). In compliance with Resolution 795/2019 of the National Petroleum Agency (ANP), the company also discloses the updated price list by location and sales modality.
