

Petrobras informs about contract with Unigel

Rio de Janeiro, June 28, 2024 - Petróleo Brasileiro S.A – Petrobras, following up on the releases disclosed on December 29, 2023 and February 5, 2024, informs that the contract for Industrialization to Order (Tolling) signed with Unigel Group, signed on December, 29,2023, did not have its conditions of effectiveness met within the established period (June, 27, 2024) and, therefore, had its validity ended even before it took effect.

The company reiterates that the contractors are still analyzing a definitive, profitable and viable solution for supplying fertilizers to the Brazilian market.

As already informed to the market, Petrobras plans to reorganize its operations in the fertilizer segment within the scope of its Strategic Plan 2024-2028.

Material facts will be promptly disclosed to the market.
