Notice to the Market

CSN Mineração S.A. ("CSN Mineração") and Companhia Siderúrgica Nacional ("CSN") (together "Companies") Inform its shareholders and the market in general that due to intense rains recorded in the Southeast region of Brazil in recent days, the extraction and movement operations at the Casa de Pedra mine were temporarily suspended, with the expectation of returning its activities in the coming days. Also due to the rains, the Companies also informs that the port operations of loading ore in the Coal Terminal - TECAR, in the port of Itaguaí / RJ is also suspended due to the high degree of humidity verified at the site.

The Companies' will take all necessary measures to maintain its operations, respecting the necessary concerns to ensure the safety of its employees and communities, and expects gradual resumption of activities as soon as weather conditions permit.

The Company's will keep the market informed of the new developments of this fact.

São Paulo, January 10, 2022.
