

Economist, with a master's degree in administration from Stanford University. León is an independent consultant with extensive experience in the mining sector, international business, business management and education. He has participated in the Boards of Directors of national and foreign companies listed on the Colombian Stock Exchange and the Toronto Stock Exchange, he is also a member of the board of directors of the Universidad de los Andes and of non-profit entities, which allows him to have a deep understanding of the social, operational and strategic dynamics of business.

At Cementos Argos S.A. he is a member of the Sustainability and Corporate Governance Committee where he has accompanied the adoption, definition and monitoring of sustainability and corporate governance practices, as well as the commitment of Cementos Argos in environmental, social and governance (ESG) matters.
