

Business administrator, she serves as president of the *Bioparque* Corporation, a non-profit entity dedicated to environmental studies and conflict resolution in the same field, and as editor of the magazine *Catorce 6*, the only publication specialized in environmental issues in Colombia. Additionally, Cecilia Rodríguez was the Minister of Environment, Housing and Development of Colombia, which grants her extensive knowledge on issues of sustainability, the environment and community relations.

She is currently a member of the Audit, Finance and Risks Committee, and the Sustainability and Corporate Governance Committee, through which she has accompanied the adoption, definition and monitoring of sustainability and corporate governance practices, as well as the commitment of Cementos Argos in environmental, social and governance (ESG) matters.
