

SGI Policy - Health, Safety, Environment and Quality

FS is the first producer of ethanol and animal nutrition products in Brazil made 100% from corn, and with the mission of growing and expanding the supply of energy and food to new frontiers in a scalable and sustainable manner with excellence and agility in execution, seeks to become the world's largest producer of carbon-negative fuel, always guided by its values: Ethics are non-negotiable, competent and engaged people, driven by challenge and excellence in execution.

Aware of its essential importance as a supplier of ingredients for animal nutrition and renewable energy, all FS units are committed to this SGI Policy.

- Preserve the health and integrity of all employees, service providers, suppliers and visitors, promoting safe and healthy work environments, operating ethically, safely and in an environmentally sustainable manner, protecting the environment, using resources and energy efficiently and preventing pollution arising from our processes;
- Establish and ensure a high level of product quality, continuously increasing customer satisfaction;
- Comply with applicable national legislation and international instruments, stakeholder, statutory and regulatory requirements, standards (GMP+ FSA, ISO 9001, ISO 14001, ISO 45001, Halal and Kosher) and other requirements;
- Establish and review objectives and targets, promoting the continuous improvement of the SGI;
- Constantly pursue SGI management to ensure compliance and commitment in eliminating hazards/aspects and reducing impacts/damages;
- Promote and ensure consultation and participation of workers and their representatives in matters involving the SGI, as well as encourage effective communication with FeraS and other interested parties;
- Educate and train all people under its management, promoting a culture in which everyone shares the values and commitment to quality, product safety, occupational health and safety and environmental performance; Safeguard the Company's reputation.
- Safeguard the Company's reputation.
