Infracommerce announces its 2023 adjusted EBITDA and Capex guidance

São Paulo, February 07, 2023: Infracommerce CXaaS S.A., "Infracommerce" or the "Company" (B3:IFCM3), pursuant to CVM instruction no. 44 of August 23, 2021, as amended, informs its shareholders and the market in general, the 2023 preliminary financial projections, as detailed below.

Consolidated Guidance	2023
Adjusted EBITDA	Between R\$150 and 170 million
Capex	Between R\$120 and 140 million

Considering these results, the Company formalizes its objective of advancing its profitability metrics.

These are preliminary and non-audited estimates and are subject to changes due to the announced transactions closing on January 09, 2023, and general macroeconomic conditions.

The Company clarifies that, in compliance with Article 21 of CVM Resolution 80 of March 29, 2022, the projections will be included in the Infracommerce Reference Form and will be available on the CVM's website in <http://www.cvm.gov.br/> and on the Company's website in <https://ri.infracommerce.com.br/>, within the legal deadline.

Infracommerce clarifies that the information disclosed in this document represents an estimate and involves market factors beyond the Control of the Company. Therefore, they do not constitute a promise of performance by Infracommerce and/or its Administrators and, thus, may undergo further changes.

About Infracommerce

Infracommerce provides a white-label e-commerce ecosystem to deliver on the Customer Experience as a Service (CXaaS) concept. The Company's solutions simplify the digital operations of every type of business – luxury market, large retailers, industrial -, from platform and data to logistics and payments.
