MATERIAL FACT

ALL STORES REOPENED

Pursuant to CVM Instruction 358 of January 3, as amended, **C&A MODAS S.A.** (The "Company"), hereby informs its shareholders and the market in general that, as of today, 100% of its stores are open to the public. In other words, all 288 C&A units across the country are in operation.

It is important to point out that there remain some limitations in terms of store hours and days of operation, depending on location.

Stores continue to operate strictly according to the safety protocols developed, the guidelines of the healthcare experts, government instructions and our own more conservative stance to protect all those who come into our stores: associates, customers, suppliers, and the community in general.
