Notice to the Market
Resubmission of Remote Voting Ballot

C&A Modas S.A. ("Company"), in compliance with the provisions of article 26, §3, item II of CVM Resolution No. 81, of March 29, 2022, as amended ("CVM Resolution 81/22"), hereby informs its shareholders and the market in general that it has resubmitted, on this date, the Remote Voting Ballot for the Company's Annual General Meeting to be held on April 30, 2025 ("Ballot" and "AGM", respectively) due to inconsistencies identified between the Portuguese and English versions of the document.

In the English version of the Distance Voting Ballot, the resolution regarding the annual compensation of the management for the fiscal year 2025 appeared duplicated under items 4 and 14, while the resolution on the allocation of the Company's net income had not been included.

To align both versions of the Ballot, the Company made the following adjustments:

(i) in the English version: (a) the cancellation of the resolution under item 4, due to duplication with item 14; and (b) the inclusion of the resolution under item 18, regarding the approval of the allocation of the Company's net income; and

(ii) in the Portuguese version: in line with the adjustments described above, the resolution originally included under item 4 was transferred to the new item 18, with no changes to its wording.

Votes that have already been cast on the resolution 4 in both Portuguese and English versions of the Ballot will be considered invalid, pursuant to article 26, §5º of CVM Resolution 81/22. It is worth noting that there is no impact on the votes already cast on the other resolutions of the AGM, including those related to resolution 14 of the Ballots (annual administration remuneration for 2025).

Shareholders may, if they wish, submit new voting instructions within the period originally set for sending the Ballot, i.e. until April 26, 2025. In such cases, it is recommended that the new Ballot be submitted through the same service provider previously used, to avoid the risk of conflicting voting instructions.

The Company remains at your disposal for any further clarification that may be necessary.

Barueri, April 17, 2025.

Laurence Beltrão Gomes
Vice-President of Administration, Finance and Investor Relations
