

## Acquisition of the remaining shares of “Multidisplay”

**CIELO S.A.** (“Company”) (B3: CIEL3 / OTC Nasdaq International: CIOXY), hereby informs its shareholders, the market and other stakeholders that the minority shareholders of its subsidiary Multidisplay Comércio e Serviços Tecnológicos S.A. (“**Multidisplay**”), exercised the option to sell their stake in Multidisplay to Cielo, pursuant to the agreement originally signed by the parties on August 2, 2010 and amended on July 4, 2016.

The exercise of the option involved shares representing 8.56% (eight point fifty-six percent) of Multidisplay’s capital, so that the Company now holds 100% of Multidisplay capital.

The transaction had as precedent condition the receiving of the applicable approvals by the Central Bank of Brazil, which have already been obtained. The total ammount of the transaction was BRL 29,797,135.84 (twenty-nine million, seven hundred and ninety-seven thousand, one hundred and thirty-five reais and eighty-four cents) paid, on this date, to the minority shareholders according to their respective stake in the capital of Multidisplay.

Cielo had already increased its interest in Multidisplay from 50.01% to 91.44%, as disclosed to the Market as of July 4, 2016, in line with the Company’s strategy to consolidate its position in technological innovation segments with high growth potential.
