

## Cielo discloses the 2019 Annual Sustainability Report

**CIELO S.A.** (“Company”) (B3: CIEL3 / OTC Nasdaq International: CIOXY) hereby informs its shareholders and other stakeholders that it has disclosed the 2019 Annual Sustainability Report, following the guidelines proposed by the Global Reporting Initiative (GRI) and in accordance with the criteria of the Brazilian Association of Publicly Held Companies (ABRASCA).

The report presents the achievements and events of 2019, including the evolution of its operational, financial, and social and environmental performance, in addition to offering a broad strategic vision of Cielo and how its culture creates value for all those who have a relationship with the Company, thus reinforcing Cielo’s commitment to sustainable development.

Cielo also announces the launch of its new sustainability portal: [www.cielosustentabilidade.com.br](http://www.cielosustentabilidade.com.br). More modern and more responsive, the portal presents information on the Company’s social and environmental management and tools to support small entrepreneurs.

Barueri, May 8, 2020.
