JOINT NOTICE TO THE MARKET

MARFRIG GLOBAL FOODS S.A. ("Marfrig"), listed under the ticker '**MBRF3**', and **BRF S.A.** ("BRF" and, together with Marfrig, the "Companies"), in addition to the notices to the market disclosed by BRF on December 17, 2024, and March 14, 2025, hereby inform the closing, on the date herein, of the acquisition transaction by MBR Investimentos Ltda. ("MBR"), a wholly-owned subsidiary of BRF, of an equity interest equivalent to 50% (fifty percent) of the share capital of Gelprime Indústria e Comércio de Produtos Alimentícios S.A. ("Gelprime" and "Acquisition," respectively).

The Acquisition will occur in two stages, the first of which was concluded on the present date, with the transfer to MBR of an equity interest equivalent to 32% (thirty-two percent) of Gelprime's share capital, and the second of which will occur on November 1, 2025, when MBR will hold an equity interest of 50% (fifty percent) in Gelprime's share capital. As a result of the Acquisition, Gelprime's results will be consolidated in the Companies' Financial Statements.

The total consideration for the Acquisition amounts to R\$ 312,500,000.00, of which: (i) R\$ 160,460,235.55 had already been advanced, as disclosed in Explanatory Note 1.5 to BRF's ITR for the second quarter of 2025; (ii) R\$ 106,056,570.91 was paid on the present date; and (iii) the remaining balance will be paid on November 1, 2025. The total amount of the Acquisition may still be subject to adjustments, upwards or downwards, depending on Gelprime's working capital and net debt.

The payment referred to above may also be increased by an additional amount, equivalent in reais, of up to USD 13,600,000.00 (thirteen million six hundred thousand U.S. dollars), depending on Gelprime's performance over the next three years.

Founded in 2019, with a plant located in Iporã-PR, Gelprime is a company engaged in the production, commercialization, and distribution of gelatin and collagen through the processing of raw materials of animal origin, relying on its own network of certified raw material suppliers, ensuring origin, traceability, and delivery availability to its clients.

Currently, Gelprime has 228 employees and operates with an installed capacity of 9,000 tons/year. Gelprime recorded net revenue of approximately R\$ 170,000,000.00 in fiscal year 2024.
