MATERIAL FACT

CENTRO DE IMAGEM DIAGNÓSTICOS S.A. ("Company" or "Alliar"), pursuant to article 157, paragraph 4 of Law 6,404/76, Instruction 358/02 of the Brazilian Securities and Exchange Commission, hereby informs its shareholders and the market in general that the Company, through its subsidiary T.K.S. Sistemas Hospitalares e Consultórios Médicos Ltda. ("TKS") has signed the Fourth Amendment to its Services Contract ("Contract") with Associação Fundo de Incentivo a Pesquisa ("AFIP")

AFIP and TKS are related parties to the Company, as Mr. Sergio Tufik, Alliar shareholder, is a member of AFIP and TKS is an Alliar subsidiary.

The Contract focuses on lab-to-lab services, being provided by AFIP to the Company and its subsidiaries. AFIP was selected to supply the Company during 2018 and 2019 after a competitive process, in which all major Brazilian lab-to-lab companies were invited, and which had five providers advancing to the proposal phase. The process was conducted by an external consulting firm, hired by the Company, without the interference of related parties. AFIP was chosen for maximizing the Company's savings while also meeting the required quality standards.

More details about this transaction are available at the Notice to the Market disclosed today by the Company, pursuant to article 30, XXXIII of Instruction 480 of the Brazilian Securities and Exchange Commission, dated December 9th, 2009, which is available at the following websites: ri.aliar.com and www.cvm.gov.br
