MATERIAL FACT

CENTRO DE IMAGEM DIAGNOSTICOS S.A. ("Company", "Alliar") (B3: AALR3), in compliance with article 157, paragraph 4, of Law No. 6,404, of December 15, 1976, as amended, and the provisions of CVM Resolution 44, of August 23, 2021, informs hereby that its controlling shareholder, Fonte de Saúde Fundo de Investimentos em Participações Multiestratégia ("Fonte de Saúde"), signed an agreement regarding the acquisition of quotas issued by ProEcho Cardiodata Serviços Médicos Ltda. ("ProEcho"), a company located in Rio de Janeiro specialized in Diagnostic Imaging.

The transaction closing is still subject to some precedent conditions and Alliar does not hold, directly or indirectly, any equity in ProEcho

The Company also informs that, as part of its strategy of operational and geographical expansion, including the main capitals of the country (Rio de Janeiro, in this case), Alliar is holding negotiations with Fonte de Saúde regarding an operational partnership in relation to ProEcho's clinics. The partnership may include other mechanisms for Alliar's participation in ProEcho's activities after a restructuring to be implemented by Fonte de Saúde in ProEcho.

ProEcho is a traditional company settled in Rio de Janeiro, established in 1989, operating in medical imaging diagnostic services and clinical analysis, with a highly recognized medical team. It currently holds 13 clinics, located in Botafogo, Barra da Tijuca, Centro, Copacabana, Freguesia, Niterói, São Gonçalo and Tijuca.

The Company will keep the market duly informed about any development in the abovementioned negotiations, in particular with regard to the execution of any Memorandum of Understanding or agreement regarding ProEcho.
