Notice to the Market

Light S.A. ("Light" or "Company") (B3: LIGT3; ADR I: LGSXY) informs its shareholders and the market in general that the Company's Board of Directors unanimously resolved to appoint Mr. Wilson Martins Poit to occupy the presidency of this governance body, effective as of tomorrow, March 25, 2022, replacing Mr. Firmino Ferreira Sampaio Neto, as per the prerogative provided for in the Company's Bylaws and in the Internal Regulations of the Board of Directors.

The Company clarifies that both directors described above were elected at the Annual General Shareholders' Meeting on April 29, 2021, which is why the composition of the Company's Board of Directors remains unchanged.

Mr. Wilson Poit has a degree in Electrical Engineering from FEI/SP, is an entrepreneur in the electrical sector and currently superintendent director of SEBRAE/SP. Additionally, he has been an Endeavor entrepreneur since 2002 and received the Ernst & Young (EY) Entrepreneur of the Year Award in 2009.

It is also worth noting that, during his role as Chairman of the Board of Directors of Light, Mr. Firmino Sampaio not only reaffirmed his notorious knowledge and vast experience in the electricity sector, but also contributed in an exceptional way to the favorable outcome of several fundamental and complex issues for the generation of the Company's results, in particular the successful Periodic Tariff Review completed on March 15, 2022.

Finally, the Company informs that the directors Firmino Sampaio and Wilson Poit will join the 4Q21 results presentation, which will be held tomorrow at 2:00 pm (Brasília time).
