Company Registry: 29.300.006.939

Publicly Held Company

### MATERIAL FACT

Braskem S.A. ("Braskem" or "Company") (Ticker B3: BRKM3, BRKM5 and BRKM6; NYSE: BAK; LATIBEX: XBRK), regarding the geological event in Alagoas, informs its shareholders and the market that it has been notified, on this date, of the granting of urgent relief requested by the plaintiffs of a Public Civil Action filed by the Federal Public Prosecutors Office, Public Prosecutors Office of the State of Alagoas and Federal Public Defender's Office against the Company and the Municipality of Maceió.

Among others, the following requests against Braskem were granted, as part of the protection of evidence:

- i. Inclusion of the new criticality area 00 of Version 5 of the Civil Defense Map in the Financial Compensation and Support for Relocation Program ("PCF") implemented by the Company in Maceió - AL and enable the optional inclusion of all those affected whose properties are located in criticality area 01 of Version 5 of the Map, with the monetary update corresponding to the values practiced by the Program;
- ii. Institution, according to the will of the affected person in criticality area 01, of a Program to repair the Material Damage caused by the alleged devaluation of the property, as well as the alleged moral damage suffered as a result of the inclusion of the property on the Map;
- iii. Hiring an independent and specialized company to identify the alleged material damage to properties in the event of the affected party's decision to remain in criticality area 01 of Version 5 of the Civil Defense Map;
- iv. Hiring independent and specialized technical assistance, in order to support the impacted person in evaluating scenarios and making decisions regarding their relocation or stay in the area.

The value attributed to the case by the authors is R\$1 billion.

The Company informs that it will evaluate and take the relevant measures within the applicable legal deadlines and will keep the market informed of any relevant developments on the matter.

## FORWARD-LOOKING STATEMENTS

This Material Fact may contain forward-looking statements. These statements are not historical facts, but rather are based on the current view and estimates of the Company's management regarding future economic and other circumstances, industry conditions, financial performance and results, including any potential or projected impact regarding the geological event in Alagoas and related legal procedures on the Company's business, financial condition and operating results. The words "project," "believe," "estimate," "expect," "plan", "objective" and other similar expressions, when referring to the Company, are used to identify forward-looking statements. Statements related to the possible outcome of legal and administrative proceedings, implementation of operational and financing strategies and investment plans, guidance on future operations, the objective of expanding its efforts to achieve the sustainable macro objectives disclosed by the Company, as well as factors or trends that affect the financial condition, liquidity or operating results of the Company are examples of forward-looking statements. Such statements reflect the current views of the Company's management and are subject to various risks and uncertainties, many of which are beyond the Company's control. There is no guarantee that the events, trends or expected results will actually occur. The statements are based on various assumptions and factors, including, but not limited to, general economic and market conditions, industry conditions and operating factors, availability, development and financial access to new technologies. Any change in these assumptions or factors, including the projected impact from the joint venture and its development of technologies, from the geological event in Alagoas and related legal procedures and the unprecedented impact on businesses, employees, service providers, shareholders, investors and other stakeholders of the Company could cause effective results to differ significantly from current expectations. For a comprehensive description of the risks and other factors that could impact any forward-looking statements in this document, especially the factors discussed in the sections, see the reports filed with the Brazilian Securities and Exchange Commission (CVM). This Notice to the Market does not constitute any offer of securities for sale in Brazil. No securities may be offered or sold in Brazil without being registered or exempted from registration, and any public offer of securities carried out in Brazil must be made through a prospectus, which would be made available by Braskem and contain detailed information on Braskem and its management, as well as its financial statements.
