MATERIAL FACT

Braskem S.A. ("Braskem" or "Company"), in compliance with CVM Resolution 44/21, informs its shareholders and the market that executed agreement with the Municipality of Maceió ("Global Agreement") for the payment of R\$1.7 billion, of which approximately R\$700 million had already been provisioned by the Company in previous years.

The Global Agreement establishes the indemnification, compensation, and full refund of the Municipality of Maceió in relation to any and all patrimonial and extra-patrimonial damages incurred by it, and is subject to court approval.

It is worth highlighting that the execution of the Global Agreement with the Municipality of Maceió represents yet another important advance in relation to the subject of Alagoas.

For more information, contact Braskem's Investor Relations Department by calling +55 (11) 3576-9531 or emailing braskem-ri@braskem.com.br.

FORWARD-LOOKING STATEMENTS

This Material Fact notice may contain forward-looking statements. These statements are not historical facts, but are based on the current view and estimates of the Company's management regarding future economic and other circumstances, industry conditions, financial performance and results, including any potential or projected impact from the geological event in Alagoas and related legal procedures and from COVID-19 on the Company's business, financial condition and operating results. The words "project," "believe," "estimate," "expect," "plan" and other similar expressions, when referring to the Company, are used to identify forward-looking statements. Statements related to the possible outcome of legal and administrative proceedings, implementation of operational and financing strategies and investment plans, guidance on future operations, as well as factors or trends that affect the financial condition, liquidity or operating results of the Company are examples of forward-looking statements. Such statements reflect the current views of the Company's management and are subject to various risks and uncertainties, many of which are beyond the Company's control. There is no guarantee that the events, trends or expected results will actually occur. The statements are based on various assumptions and factors, including general economic and market conditions, industry conditions and operating factors. Any change in these assumptions or factors, including the projected impact from the geological event in Alagoas and related legal procedures and the unprecedented impact from COVID-19 on businesses, employees, service providers, shareholders, investors and other stakeholders of the Company could cause actual results to differ significantly from current expectations. For a comprehensive description of the risks and other factors that could impact any forward-looking statements in this document, especially the factors discussed in the sections, see the reports filed with the Brazilian Securities and Exchange Commission (CVM). This Material Fact is not an offer of securities for sale in Brazil. No securities may be offered or sold in Brazil without being registered or exempted from registration, and any public offering of securities carried out in Brazil will be made by means of a prospectus that may be obtained from Braskem and which will contain detailed information on Braskem and management, as well as its financial statements.
