Ms. Magda Maria de Regina Chambriard is a candidate for full member of the Board of Directors, as nominated by the shareholder Petróleo Brasileiro								

S.A. – Petrobras. Ms. Chambriard has served as Chief Executive Officer of Petrobras since June 2024. She began her career at Petrobras in 1980, working primarily in the Production area, where she accumulated extensive knowledge across all production activities in Brazil.

In 2002, she was seconded to the Brazilian National Agency of Petroleum, Natural Gas and Biofuels (ANP) to serve as Advisor to the Exploration and Production Board, at a time when she worked as an E&P business consultant in Petrobras’s New E&P Business area. At ANP, shortly after assuming the advisory role, she also assumed responsibility for the Exploration Superintendency and Block Definition, in preparation for licensing rounds. She was responsible for implementing ANP’s Multi-Year Plan for Geology and Geophysics, which resulted in the collection of essential data for the success of licensing rounds in new frontier sedimentary basins.

She assumed a position as Director of ANP in 2008 and became Director-General in 2012, leading the creation of the Safety and Environment Superintendency and the Information Technology Superintendency, as well as overseeing regulatory studies and the drafting of contracts and bidding documents, including the technical studies that culminated in Brazil’s first pre-salt licensing round, in addition to traditional concession-based bidding rounds. She was responsible for the areas of Internal Audit, Ombudsman, Legal Affairs, Bidding Promotion, Supply, Oversight of Fuel Distribution and Retail, Human Resources, Administrative and Financial Affairs, and Government Relations, as well as activities related to the Exploration and Production segment.

Ms. Magda Chambriard holds a Master’s degree in Chemical Engineering from COPPE/UFRJ (1989) and a Bachelor’s degree in Civil Engineering from UFRJ (1979), with specializations in Reservoir Engineering and Formation Evaluation and Oil and Gas Production, from what is now known as Petrobras University. She has completed several professional development programs, in addition to oil and gas-related training, including courses in Management Development in Production Engineering, Negotiation of Exploration and Production Contracts, Qualification in Negotiation in the Oil Industry, Risk Management, Accounting, Management, Leadership, and Board of Directors Development.

Ms. Magda Maria de Regina Chambriard declares that she is a Politically Exposed Person, pursuant to CVM Resolution No. 50, dated August 31, 2021, and that she does not hold any position in a third-sector organization.

Criminal and Administrative Records:

The candidate declares that he has no: (a) criminal convictions; (b) administrative sanctions imposed by the Brazilian Securities and Exchange Commission (CVM), the Central Bank of Brazil, or the Brazilian Superintendence of Private Insurance (SUSEP); and (c) final and unappealable judicial or administrative decisions that have suspended or disqualified him from engaging in any professional or commercial activity.
