

INFORMATION TO THE MARKET

Banco do Brasil announces that its management is proposing changes to its organizational structure to the Board of Directors, splitting the current Vice-Presidency of Agribusiness and Government into two vice-presidencies, the Vice-Presidency of Government and the Vice-Presidency of Agribusiness. This move aims to increase the strategic focus for the Agribusiness area, one of the pillars of our operations, having the Bank, after the approval of this proposal, a vice president dedicated exclusively to the subject.

2. Banco do Brasil also informs that Mr. Antônio José Barreto de Araújo Júnior was appointed to the position of Vice President of Government, Mr. Renato Luiz Bellinetti Naegele was appointed to the position of Vice President of Agribusiness and Mr. Marcelo Cavalcante de Oliveira Lima was appointed Vice President of Business Development and Technology. The nominations begin the approval process in the competent BB governance bodies with a view to the election by the Board of Directors when the entire process provided for in the Bank's governance is completed.

- Antônio José Barreto de Araújo Júnior has a degree in mechanical engineering from UNIP, with a specialization in Marketing from PUC-RJ, an MBA from FGV-SP, and an executive leadership course from Dale Carnegie Training. He has been an employee at BB since 1998, holding various managerial positions in the retail network and regional offices. Coordinated the Banco Nossa Caixa integration team after the acquisition by BB. He is currently Special Secretary for Social Development at the Ministry of Citizenship, where he also served as an executive secretary in 2020. He served in the Civil House as deputy chief of Analysis and Monitoring of Government Policies and Deputy Chief of Articulation and Monitoring from 2019 to 2020. Among his experiences at the board of directors, it is highlighted BNDES and Terracap, in addition to the supervisory board of BASA and Brasilprev.

- Renato Luiz Bellinetti Naegele is an agronomist, with specializations in Modern Economics and Executive Management. BB employee building his career from 1982 to 2015, and having served as Executive Manager of Business with the Public Sector, Head of Technical Consultancy for the Presidency, and Managing Director of Marketing and Communication. Abroad, he was Senior Executive Vice President of Banco Patagonia and General Manager of BB in Chile. He served as a board member on several boards of directors in Brazil and abroad. He was partner-director of Macroplan, in addition to having served in the federal government (1987 to 1996) and in the Federal Senate (2016 to 2018). He is currently a Special Advisor to the President of BB.

- Marcelo Cavalcante de Oliveira Lima has a degree in Electronic Engineering with an emphasis on Computing. Post-graduate in Object-Oriented Systems, in Strategic Administration of Information Systems and Advanced Business Management; BB career employee from 1988 to 2019, having served as financial administrative director of BB Tecnologia e Serviços, as technology manager abroad for Europe, Middle East, and Africa, based in London from 2009 to 2015. He was Executive Manager on the Board of Technology in the period from 2003 to 2009. Previously, since 1990 he worked in several positions in the technology area of Banco do Brasil.

3. We also inform that Mr. João Pinto Rabelo Junior, current Vice President of Agribusiness and Government will remain in the exercise of his functions until May 21, 2020, and Mr. Gustavo de Souza Fosse, current Vice President of Business Development and Technology will continue in its functions until 31.05.2021.

Brasília (DF), May 10th, 2021.
