

MATERIAL FACT

Termination of contract for FPSO Cidade de Santos acquisition

Rio de Janeiro, July 1st, 2024.

Enauta Participações, considering the Material Fact disclosed on December 21, 2023, informs that it has notified MODEC of the termination of the contract to acquire FPSO Cidade de Santos, as provided by contract, which also provides for reimbursement to Enauta of 50% of the amount disbursed at signing, approximately US\$3.6 million.

Enauta is discussing with Petróleo Brasileiro S.A. - Petrobras the implications of this decision considering the ongoing acquisitions of Uruguá and Tambaú oil and gas fields and the natural gas pipeline from these fields to Mexilhão field, where it connects to Route 1 pipeline.

The Company will keep the market informed about the subject of this Material Fact.
