### NOTICE TO THE MARKET

#### NEW CEO ASSUMES THE ROLE AT INTRALOG AND REINFORCES ITS EXPANSION STRATEGY IN A HIGH-POTENTIAL MARKET.

**JSL S.A.** ("JSL" or "Company"), in line with best Corporate Governance practices, informs its shareholders and the market in general of the appointment of **Brunno Matta as the new Chief Executive Officer (CEO) of INTRALOG, a company that will consolidate all warehouse management and intralogistics operations from JSL and TPC.**

With over 25 years of experience in logistics and supply chain management, a degree in Business Administration from FEMM, a master's degree in Marketing from UNIFEG, and executive training from Harvard Business School, the executive has worked in global companies in the sector, in different countries, leading projects in operational efficiency, digital transformation, and expansion of operations and sales for clients in various sectors, including automotive, consumer goods, e-commerce, and retail.

**Brunno Matta** will replace **Luís Chamadoiro**, who has been serving as interim president of INTRALOG since its creation in December 2025, and previously as president of **TPC**. **Chamadoiro** will participate in the transition over the next 60 days and then join the **INTRALOG** Advisory Board.

The arrival of the new CEO will contribute to the execution of **INTRALOG's** strategic plan, the consolidation of JSL and TPC's operations, which together employ **more than 16,000 people**, and a focus on capturing opportunities in a market estimated at R\$ 415 billion annually in Brazil. Among the new executive's main areas of focus are:

- **Scale and Operational Efficiency:** Management of over 2 million m<sup>2</sup> and 65 Distribution Centers, increasing productivity and efficiency gains;
- **Specialization and Customization:** Operation with solutions dedicated to the specific needs of each client;
- **Technology and Innovation:** Use of automation and applied technologies and advanced planning and management tools;
- **Growth:** Commercial focus on optimized operations in segments where the company does not yet operate.

#### About INTRALOG

**INTRALOG** consolidates the operations and expertise developed over the years by **JSL** and **TPC**, positioning itself as **the largest intralogistics company in the country**. With annualized revenue of approximately R\$ 2.4 billion and 84 operations under management, serving strategic sectors such as **automotive, beverages, telecommunications, and pulp and paper**, the creation of **INTRALOG** reflects JSL's strategy of anticipating needs and offering increasingly customized solutions, contributing to the growth of its clients.
