

NOTICE TO THE MARKET JSL ENTERS THE SMALL CAPS INDEX (B3)

JSL S.A. ("JSL" or "Company"), (B3:JSLG3), hereby announces to its shareholders and the market in general that, according to the last disclosed previews, as of January 6, 2020 its shares will be part of the SMLL index (Small Caps index), which is elaborated and disclosed by B3 S.A. – Brasil, Bolsa, Balcão ("B3").

Therefore, the Company's shares, which is already part of the IGCX (Special Corporate Governance Index), IGC-NM (Corporate Governance Index - Novo Mercado) and ITAG (Special Tag Along Index), as well as the MSCI Global Small Cap Index, will now be listed in a total of five indexes at B3.

The indexes mentioned above are part of theoretical asset portfolios aimed at evaluating, among other items, publicly listed companies by measuring the performance of the most representative shares within certain established methodologies.

The presence of the Company's shares in stock indexes increases its visibility and contributes to the expansion of its investor base, in addition to increasing the liquidity of JSLG3 shares. JSL continues to focus on its growth strategy combined with profitability and with the objective of generating even more value to its shareholders, customers, suppliers, employees and other stakeholders.
