NOTICE TO THE MARKET**Partnership with Microsoft and Oracle for Cloud Migration**

B3 S.A. – Brasil, Bolsa, Balcão (“Company” or “B3”) informs that, on today’s date, it has signed a strategic partnership contract with Microsoft (Azure) and with Oracle (OCI) to support the process of migrating platforms and services to the cloud and to develop new products and technologies.

Microsoft and Oracle, in addition to being B3’s partners in several solutions, have been investing and advancing significantly in innovative cloud solutions, with a global commitment to the development of products and services for the financial and capital markets. The companies already have a cloud interoperability partnership, which will help B3 to implement a multicloud strategy, bringing security and robustness to the process.

The partnership has a duration of 10 years and includes joint investments for migration, gains of scale, technological contribution, and training of employees.
