## NOTICE TO THE MARKET

### **ES GÁS submits Business Plan proposal to the Regulatory Agency for Public Services (ARSP)**

**Energisa S.A.** ("Energisa" or the "Company") informs its shareholders and the market in general that its indirect subsidiary, Companhia de Gás do Espírito Santo - ES Gás ("ES Gás"), in accordance with the rules established in its concession agreement, has submitted to the Regulatory Agency for Public Services of the State of Espírito Santo ("ARSP") a proposal containing the general terms and conditions of the Business Plan for ES Gás's second regulatory tariff cycle, which will begin on August 1, 2025, and end on July 31, 2030. This will be the first cycle following the privatization of ES Gás and the resulting assumption of indirect control by the Company on July 3, 2023.

The Business Plan submitted by ES Gás in compliance with the current regulatory obligation foresees investments of up to R\$ 1 billion for the period from 2025 to 2030. It also includes the acceleration of the expansion of natural gas within the energy matrix of the State of Espírito Santo, as well as the satisfactory achievement of targets related to technical performance and the universalization of public service. The investment guidelines outlined in the proposed Business Plan for the second regulatory cycle are aligned with the Energisa Group's investment plan and aim to develop gas infrastructure in the State of Espírito Santo based on four pillars: decarbonization, energy security, competitiveness, and development.

It is important to highlight that the information contained in the Business Plan proposal submitted to the regulator does not represent any guarantee of the execution of such investments, as they are subject to several factors and events, including, but not limited to, the fulfillment of financial and market conditions and assumptions, regulatory approval by ARSP, corporate approvals, and the determination of amounts and execution timelines.

The Company also informs that on this date, ES Gás presented the Business Plan proposal and its possible developments to representatives of FINDES - the Federation of Industries of the State of Espírito Santo - and the State Government. The material presented is available on our Investor Relations webpage at [this link](#).

The Public Consultation is expected to open on May 21, 2025, when the information will be made available on ARSP's website.

The proposed Business Plan demonstrates Energisa Group's commitment to the development of the sector and the State of Espírito Santo and reinforces the Group's diversification strategy.

Energisa will keep shareholders and the market informed about the matters, progress, and developments related to the subject of this Market Announcement.
