

ENERGISA S.A.

CNPJ/MF 00.864.214/0001-06
A publicly held Company

NOTICE TO THE MARKET**Mandatory public offering for acquisitions of ERO's common shares**

Energisa SA (“Energisa” or “Company”), in compliance with article 157, paragraph 4, of Law 6,404, issued December 15, 1976, as amended and CVM Resolution 44/2021, issued August 23, 2021, which revoked CVM Instruction No. 358, issued January 3, 2002, hereby announces to its shareholders and the market in general that, on this date, the mandatory public offer was initiated for acquisition of shares held by employees and retirees of its subsidiary Energisa Rondônia Distribuidora de Energia S.A. (“ERO”).

The Mandatory Public Offer is an obligation assumed by the Company pursuant to item 1.10 of the Auction Notice No. 2/2018-PPI/PND, which disciplined the privatization of Energisa Rondônia (formerly known as CERON), from item 2.12 of the Offer Guidebook to Employees and Retirees and other privatization documents.

The Mandatory Public Offer in reference has as object the acquisition, by the Company, of up to 148,204,719 common, nominative shares and without par value, representing 3.54% of the total capital of Energisa Rondônia. The Company will pay the shareholders who adhere to the Mandatory Public Offer the amount calculated in accordance with item 2.12.1 of the Employee and Retired Share Offering Manual.

The notice of the Mandatory Public Offer, with the full terms, conditions, operating procedures and applicable deadlines, is available for consultation on the Company's website on the world wide web (<https://ri.energisa.com.br/>) and published in the Company's newspaper (“Diário da Amazônia”), in the editions of November 1st, 2021.

Cataguases, November 1st, 2021.

Maurício Perez Botelho
