Eztec presents Torino Mooca Città, the latest phase of the complex that already includes the Milano and Firenze developments, both still under construction. Located opposite the future park and close to the main roads in the area, the development combines contemporary architecture, comfort, and well-being. With units measuring 63, 78/79, and 82 sq.m, the project was designed to provide integration with green spaces and fluidity in the spaces. There are more than 20 leisure items, including an infinity pool overlooking the park, a rooftop, a fully equipped gym, coworking space, gourmet space, party room, playroom, sports court, beach tennis court, and pet place — in addition to pay-per-use services such as cleaning, laundry, personal trainer, and pet care, reinforcing the concept of living well without sacrificing convenience.
