This notice contains forward-looking statements regarding the business outlook, estimates of operational and financial results, and the growth prospects of Eztec. These are merely projections and, as such, are based solely on the Company's management expectations regarding the future of the business and its continued access to capital to finance its business plan. Such forward-looking statements depend largely on changes in market conditions, government regulations, competitive pressures, industry performance, and the Brazilian economy, among other factors, in addition to the risks presented in the disclosure documents filed by the Company, and are therefore subject to change without notice.
