The Waiver of Statutory Provision was approved by the shareholders at this Meeting with respect to the execution of the "Investment Agreement and Other Covenants" ("Investment Agreement") by Aguassanta Investimentos S.A. and Queluz Holding Limited, vehicles of the family of Mr. Rubens Ometto Silveira Mello (together, "Aguassanta Holdings"), with entities affiliated with BTG Pactual Holding S.A., investment vehicles managed by BTG Pactual Gestora de Recursos Ltda. (together, "BTG Vehicles"), and investment vehicles managed by Perfin Infra Administração de Recursos Ltda. ("FIP Perfin Rally" and, when together with BTG Vehicles, the "Investors" and, when together with Aguassanta Holdings, the "Anchor Investors"), to structure a strategic transaction that contemplates, subject to the terms and conditions of the Investment Agreement and the approvals to be granted at this Meeting, the execution by the Company of two public offerings of the Company's shares under the automatic distribution registration procedure, the first of which will be anchored by the Anchor Investors ("First Offering"), who will make their investment through a holding company specifically established as a non-operating entity, whose sole and exclusive purpose is to hold shares issued by the Company and make cash contributions for the specific purpose of investing in shares issued by the Company ("New Holding"). Accordingly, for the Waiver of Statutory Provision granted to the BTG Vehicles and their Shareholder Group, the following shall apply:

- (i) For the BTG Vehicles, and for their respective definition of Shareholder Group (as defined in the Company's Bylaws), the persons and entities identified in such definition shall be considered, provided that they are: (a) any vehicle that, together with the BTG Vehicles, participated in the settlement of the First Offering; or (b)(i) BTG Pactual Holding S.A. and/or any persons and/or entities, directly or indirectly, controlled by, under common control with, or controlling BTG Pactual Holding S.A.; or (b)(ii) any investment fund, limited partnership, or other similar investment vehicle,

in which the persons and entities described in item (b)(i), collectively, hold (x) discretionary power granted to the fund manager or general partner to manage and direct the activities of such investment vehicle; and (y) the majority of the assets/capital, as applicable, of such investment vehicle described in item (b)(ii); and

- (ii) Ownership of shares issued by the Company or Other Rights of a Corporate Nature (as defined in the Company's Bylaws) held by any person or entity not included in the definition of Shareholder Group outlined in item (i) above shall remain subject to the rules provided in Article 37 of the Company's Bylaws, it being noted that shares issued by the Company or other corporate rights held, directly or indirectly, by any person or entity included in the definition of Shareholder Group outlined in item (i) above shall not be counted for the purposes of reaching, directly or indirectly, a Relevant Interest by any of the persons and entities referred to in item (ii).

For the Waiver of Statutory Provision granted to FIP Perfin Rally, the following shall apply:

- (i) For FIP Perfin Rally, and for their respective definition of Shareholder Group (as defined in the Company's Bylaws), the persons and entities identified in such definition shall be considered, provided that they are: (a) any vehicle that, together with FIP Perfin Rally, participated in the settlement of the First Offering; or (b) any persons and/or entities, directly or indirectly, controlled by, under common control with, or controlling FIP Perfin Rally and/or the vehicle mentioned in item (a) above; or (c) any investment fund, limited partnership, or other similar investment vehicle in which, cumulatively, (c.i) discretionary power to manage and direct activities has been granted to Perfin Infra (as defined below); and (c.ii) the majority of the equity/capital, as applicable, belongs to the partners of Perfin Infra's partnership; and
- (ii) Ownership of shares issued by the Company or Other Rights of a Corporate Nature (as defined in the Company's Bylaws) held by any person or entity not included in the definition of Shareholder Group outlined in item (i) above shall remain subject to the rules provided in Article 37 of the Company's Bylaws, it being noted that shares issued by the Company or other corporate rights held, directly or indirectly, by any person or entity included in the definition of Shareholder Group outlined in item (i) above shall not be counted for the purposes of reaching, directly or indirectly, a Relevant Interest by any of the persons and entities referred to in item (ii).

Board of Directors, with the consequent amendment to the wording of the main section of Article 6 of the Company's Bylaws to reflect such increase.

Accordingly, the amendment to the wording of the main section of Article 6 of the Company's Bylaws was also approved, which shall henceforth read as follows:

“Article 6 – The Company's share capital may be increased up to the limit of 8,000,000,000 (eight billion) common shares, regardless of any amendment to the Bylaws, by resolution of the Company's Board of Directors, through the issue of new common shares or by capitalization of profits or reserves, with or without the issue of new shares.”

7.2. To approve, by majority vote, according to the voting map included in Exhibit I hereto, the Waiver of a Bylaw Provision, under the Management Proposal and Shareholders' Participation Manual disclosed on October 23, 2025, on the websites of the Company, CVM, and B3, in observance of the concepts outlined in the Agenda applicable to the BTG Vehicles and the FIP Perfin Rally.

7.3. To authorize, by majority vote, according to the voting map included in Exhibit I hereto, the members of the Executive Board to take any and all actions necessary, useful, and/or convenient for the implementation of the foregoing resolutions, as well as to ratify all acts carried out to date for the purpose of implementing the Investment.

7.4. To approve, by majority vote, according to the voting map included in Exhibit I hereto, the consolidation of the Company's Bylaws, which shall henceforth be in the form outlined in Exhibit II hereto, to incorporate the amendment resulting from the Authorized Capital Increase.

Sole Paragraph – The management's proposal regarding the allocation of net income shall be included in the financial statements of the fiscal year, in compliance with these Bylaws and Brazilian Corporation Law.

Article 33 - The net income for the year shall be allocated as follows: **(i)** 5% (five percent) of net income shall be allocated to the legal reserve, which shall not exceed 20% (twenty percent) of the share capital, it being understood that in any year in which the balance of the legal reserve, plus the capital reserves, exceeds 30% (thirty percent) of the share capital, the allocation of a portion of net income to the legal reserve shall not be mandatory; **(ii)** the portion corresponding to the contingency reserve, under Article 195 of Brazilian Corporation Law; **(iii)** a portion corresponding to 25% (twenty-five percent) of net income for the year, adjusted under Article 202 of Brazilian Corporation Law, shall be distributed to shareholders as the mandatory dividend; and **(iv)** the Company shall maintain the statutory profit reserve called "Special Reserve," intended to strengthen working capital and finance the maintenance, expansion, and development of the Company's and/or its Subsidiaries' activities, including through the subscription of capital increases or the creation of new ventures, which shall be formed with up to 75% (seventy-five percent) of net income for each fiscal year, and whose balance, added to the balances of the other profit reserves, except for the unrealized profit reserve and the contingency reserve, may not exceed 100% (one hundred percent) of the Company's subscribed share capital.

Paragraph 1 – The remaining balance, after compliance with the provisions above, shall be allocated as determined by the General Meeting, based on management’s proposal, under Articles 176, Paragraph 3, and 196 of Brazilian Corporation Law, subject to the provisions of Article 134, Paragraph 4, of said Law. If the balance of profit reserves exceeds the share capital, the General Meeting shall decide on the application of the excess to pay or increase share capital or distribute supplementary dividends to shareholders.

Paragraph 2 – In any year in which the amount of the mandatory dividend, calculated under these Bylaws, exceeds the realized portion of net income, the General Meeting may, upon a proposal from the management bodies, allocate the excess to the unrealized profit reserve. Amounts recorded in the unrealized profit reserve, if not absorbed by subsequent losses, may only be used for payment of the mandatory dividend.

Article 34 - By resolution of the Board of Directors, the Company may pay its shareholders interest on equity, which shall be imputed to the mandatory dividend referred to in Article 33 above, and such amount shall be considered part of the dividends distributed by the Company for all purposes.

Article 35 - The Company may prepare semiannual or shorter-period balance sheets and, by resolution of the Board of Directors, declare dividends based on the profit determined in such balance sheets, as an advance against the total amount to be distributed at the end of the respective fiscal year, subject to the limitations provided by law. Dividends so declared shall constitute an advance of the mandatory dividend referred to in Article 33 above.

Paragraph 1 - By resolution of the Board of Directors and within legal limits, the Company may declare dividends based on profit reserves existing in the latest annual or semiannual balance sheet.

Paragraph 2 – Dividends not claimed by any shareholder within three (3) years from the date of the resolution authorizing their distribution shall revert in favor of the Company, and no interest shall accrue on such amount.

CHAPTER VIII – TRANSACTIONS INVOLVING SHARES ISSUED BY THE COMPANY

Section I – Disposal of Corporate Control

Article 36 - The direct or indirect disposal of control of the Company, whether by means of a single transaction or successive transactions, must be contracted on the condition that the purchaser of the control undertakes to launch a public tender offer for the acquisition of shares issued by the Company held by the other shareholders, in compliance with the conditions and deadlines outlined in applicable law, regulation, and the Novo Mercado Rules, to ensure equal treatment to that afforded to the selling shareholder.

Section II – Public Tender Offer upon Acquisition of a Relevant Interest

Article 37 - Any shareholder or Shareholder Group that directly or indirectly acquires ownership of shares issued by the Company or Other Rights of a Corporate Nature representing 10% (ten percent), until January 31, 2028, and 15% (fifteen percent) as from February 01, 2028, of the capital stock (“Relevant Interest”), excluding treasury shares for such purposes, whether in a single transaction or a series of transactions, including by means of a merger or merger of shares of the Company (“New Relevant Shareholder”), shall launch a public tender offer for the acquisition of all shares and securities convertible into shares held by the other shareholders of the Company, under the terms of this article (“Tender Offer due to the Acquisition of a Relevant Interest”).

Paragraph 1 – For purposes of verifying the indirect acquisition of a Relevant Interest, the ownership of all voting shares or Other Rights of a Corporate Nature held by any controlling shareholder or controlling Shareholder Group, directly or indirectly, up to the natural-person ultimate beneficial owner of the New Relevant Shareholder, must be considered.

Paragraph 2 – The Tender Offer due to the Acquisition of a Relevant Interest must be: (i) addressed to all shareholders of the Company without distinction; (ii) carried out by means of an auction held at B3; (iii) launched at the price determined in accordance with Paragraph 4 of this article and settled in cash, in Brazilian currency; and (iv) accompanied by a valuation report of the Company, prepared in accordance with the criteria outlined in the CVM rules applicable to public tender offers, observing the criteria established in Paragraph 4 of this article for determining the minimum offer price.

Paragraph 3 – Without prejudice to the applicable regulatory obligations, immediately after acquiring or becoming the holder of shares issued by the Company or Other Rights of a Corporate Nature in an amount equal to or exceeding 10% (ten percent) or 15% (fifteen percent), as applicable at the time, whether directly or indirectly, the New Relevant Shareholder shall send a communication to the Investor Relations Officer containing: (a) the information required under Article 12 of CVM Instruction 358, of January 03, 2002, and items “i” to “m” of Section I of Exhibit II to CVM Instruction 361, of March 05, 2002; (b) information on any Other Rights of a Corporate Nature held; (c) information regarding the obligation to launch the Tender Offer due to the Acquisition of a Relevant Interest; (d) the highest price paid by the New Relevant Shareholder in the 24 (twenty-four) months preceding the acquisition of the Relevant Interest, adjusted for corporate events occurring after the date of the transaction, such as reverse splits, splits, and stock bonuses, except those related to corporate reorganizations, together with a substantiated demonstration of such price; and (e) information on the per-share acquisition price to be offered in the Tender Offer due to the Acquisition of a Relevant Interest, as proposed by the New Relevant Shareholder, under Paragraph 4 of this article (“Tender Offer Price”).

Paragraph 4 – The Tender Offer Price may not be lower than the amount resulting from applying the following formula:

Tender Offer Price = Share Value + Premium, where:

“TENDER OFFER PRICE” corresponds to the acquisition price per share issued by the Company in the Tender Offer triggered by the Reaching of a Relevant Shareholding.

“SHARE VALUE” corresponds to the highest of the following:

- (i) the economic value per share determined in an appraisal report (“Economic Value Report”) prepared by a financial institution to be selected by the Company’s Board of Directors, based on the top 10 (ten) institutions in the ranking of mergers and acquisitions in Brazil by transaction value in the previous year, according to a specialized publication recognized in the market. The costs for preparing the Economic Value Report shall be fully borne by the New Relevant Shareholder. The Economic Value Report must take into account the economic value of the Company’s subsidiaries, affiliates, and other equity interests;

- (ii) the highest unit quotation of the Company's shares during the 24 (twenty-four) months before the Tender Offer triggered by the Reaching of a Relevant Shareholding, among the prices recorded on any stock exchange on which such shares are traded; and
- (iii) the highest price paid by the New Relevant Shareholder, during the 24 (twenty-four) months before the Tender Offer triggered by the Reaching of a Relevant Shareholding, for a share or block of shares issued by the Company.

"PREMIUM" corresponds to 50% (fifty percent) of the Share Value.

Paragraph 5 – For the purposes of Paragraph 4 above, in the case of shares represented by depositary receipts (including shares included in Depositary Receipt programs), the unit quotation of the share shall be determined by dividing: (i) the quotation of the relevant depositary receipt in the market where it is traded by (ii) the number of shares represented by such receipt.

Paragraph 6 – The calculations referred to in the preceding paragraph shall be carried out with 5 (five) decimal places, and the final share price shall be expressed with 2 (two) decimal places, subject to the following rounding rules: (i) rounding shall be made from the last decimal place to the previous one; (ii) if there are more than 5 (five) decimal places, rounding shall be made from the 5th (fifth) decimal place to the previous one; (iii) the digit in the last decimal place or in the 5th (fifth) decimal place (as applicable) shall be disregarded if it is equal to or less than 5 (five) (including zero); and (iv) if the digit in the last decimal place or in the 5th (fifth) decimal place (as applicable) is greater than 5 (five), the digit in the previous decimal place shall be increased by one unit.

Paragraph 7 – If the New Relevant Shareholder fails to comply with the obligations established under these Bylaws, including those relating to the deadlines for carrying out the Tender Offer triggered by the Reaching of a Relevant Shareholding, the New Relevant Shareholder that fails to comply with any obligation under this article shall have its rights suspended pursuant to Article 120 of Brazilian Corporation Law, with such suspension ceasing as soon as the obligation is fulfilled.

Paragraph 8 – If the Tender Offer triggered by the Reaching of a Relevant Shareholding is not legally subject to registration with the CVM, the New Relevant Shareholder must publish the tender offer notice within 10 (ten) business days from the date on which the appraisal report is presented by the specialized institution or firm, which must prepare the report within 30 (thirty) days from the date on which the Relevant Shareholding is reached.

Paragraph 9 – If the Tender Offer triggered by the Reaching of a Relevant Shareholding is legally subject to registration with the CVM, the New Relevant Shareholder must request such registration within 10 (ten) business days from the date on which the appraisal report is presented by the specialized institution or firm, which must be prepared within 30 (thirty) days from the date on which the Relevant Shareholding is reached, and shall comply with any requests or requirements issued by the CVM relating to the Tender Offer triggered by the Reaching of a Relevant Shareholding within the deadlines outlined in applicable regulations. The tender offer notice must be published within 5 (five) business days from the date on which the Tender Offer is registered with the CVM, if applicable.

Paragraph 10 – The requirement to carry out the Tender Offer triggered by the Reaching of a Relevant Shareholding shall not apply to any shareholder or Shareholder Group that reaches the Relevant Shareholding:

- I. through a public tender offer for the acquisition of all of the Company’s shares, provided that the price paid is at least equal to the Tender Offer Price;
- II. through the subscription of shares in a primary offering, due to the total amount not having been fully subscribed by those holding preemptive rights or due to an insufficient number of interested parties in the relevant public distribution, provided that the issue price calculated in accordance with applicable law is equal to or greater than the Tender Offer Price;
- III. as a result of a corporate reorganization within the same economic group, including, without limitation, the assignment and/or transfer of shares issued by the Company among parent companies, subsidiaries, or companies under common control;
- IV. as a result of: (i) advance inheritance distribution, donation, or succession, provided it is made to a descendant or spouse of a shareholder or Shareholder Group holding a Relevant Shareholding; (ii) transfer to a trust or any other entity whose beneficiaries, directly or indirectly, are the shareholder or Shareholder Group holding a Relevant Shareholding, their descendants, or their spouse; and
- V as a result of the cancellation or redemption of shares.

Paragraph 11 – The requirement to carry out the Tender Offer triggered by the Reaching of a Relevant Shareholding may be waived upon a favorable vote of the shareholders at a General Meeting specially convened for this purpose, provided that such waiver is approved by 60% of the members of the Company’s Board of Directors, and subject to the following rules:

- I. the General Meeting, if convened on first call, must be attended by shareholders representing at least 25% (twenty-five percent) of the voting capital and 20% (twenty percent) of the Company’s free float shares, and, if convened on a second call, may be held with any number of shareholders;
- II. the waiver of the requirement to carry out the Tender Offer triggered by the Reaching of a Relevant Shareholding shall be deemed approved upon the affirmative vote of the absolute majority of the votes cast by the shareholders attending such General Meeting, whether on a first or second call; and
- III. the New Relevant Shareholder, as well as any other shareholders that may have an agreement with such shareholder regarding the transfer of ownership interest, shall not be entitled to vote, and their shares shall not be counted for quorum purposes.

Paragraph 12 – Carrying out the Tender Offer triggered by the Reaching of a Relevant Shareholding shall not prevent another shareholder of the Company, or, if applicable, the Company itself, from launching a competing tender offer, in accordance with applicable regulations.

Paragraph 13 – The provisions of this article do not apply (i) to shareholders (and their respective successors) who, on January 22, 2021, directly or indirectly hold an interest equal to or greater than the Relevant Shareholding

(“Excepted Shareholders”), (ii) to those shareholders who form a Shareholder Group with the Excepted Shareholders, for as long as they form such Shareholder Group, and (iii) to shareholders holding an interest equal to or greater than the Relevant Shareholding by means of shareholders’ agreements, provided that such agreements were filed at the Company’s headquarters on January 22, 2021.
