NOTICE OF MATERIAL FACT

MAHLE Metal Leve S.A. (B3 – Novo Mercado: LEVE3) ("Company"), hereby informs to its shareholders and to the market of the following:

Today, the Administrative Council for Economic Defense (CADE) has ruled on proceeding nr. 08700.003340/2017-63, which was initiated to investigate alleged anticompetitive conducts in the spare parts market of automotive filtration ("aftermarket"), involving six companies and several individuals.

In the ruling decision, CADE confirmed Company's full cooperation and, given the signature of a leniency agreement, terminated the investigation without imposition of any administrative or financial penalties.

Lastly, the Company highlights that the conduct related to the above mentioned proceeding had been terminated before CADE's investigation started due to the Company's Compliance Program, which has been further enhanced.
