Eneva Starts Commercial Operation of Futura 1 Solar Complex

Rio de Janeiro, May 29, 2023 – ENEVA S.A. (B3: ENEV3) (“Company”), in compliance with the provisions of the Securities and Exchange Commission (“CVM”) Resolution No. 44, of August 23, 2021, hereby informs its shareholders and the market in general that, as published in the vehicle *Diário Oficial da União* (Federal Official Gazette) on this date, it has received authorization by the *Agência Nacional de Energia Elétrica – ANEEL* (Brazilian National Electric Agency - “ANEEL”) to start, as of May 26, 2023, the commercial operation of 100% of the Futura 1 Solar Complex (“Complex” or “Futura 1”), located in Juazeiro City, in the State of Bahia.

The Futura 1 Solar Complex, composed by Futura Solar Photovoltaic Power Plants 1 to 22, has 692.4 MWac of installed capacity and is considered one of the largest photovoltaic power parks in Brazil. The start of the commercial operation of the Complex increases the total centralized solar generation capacity in the Brazilian electricity matrix by 8%.

The Company had already concluded the energization of all the photovoltaic power plants on May 11, being remunerated for the energy generated during this period.

The delivery of the project represents a milestone for the Company, which has now a renewable assets base and a greater presence in the free energy market.
